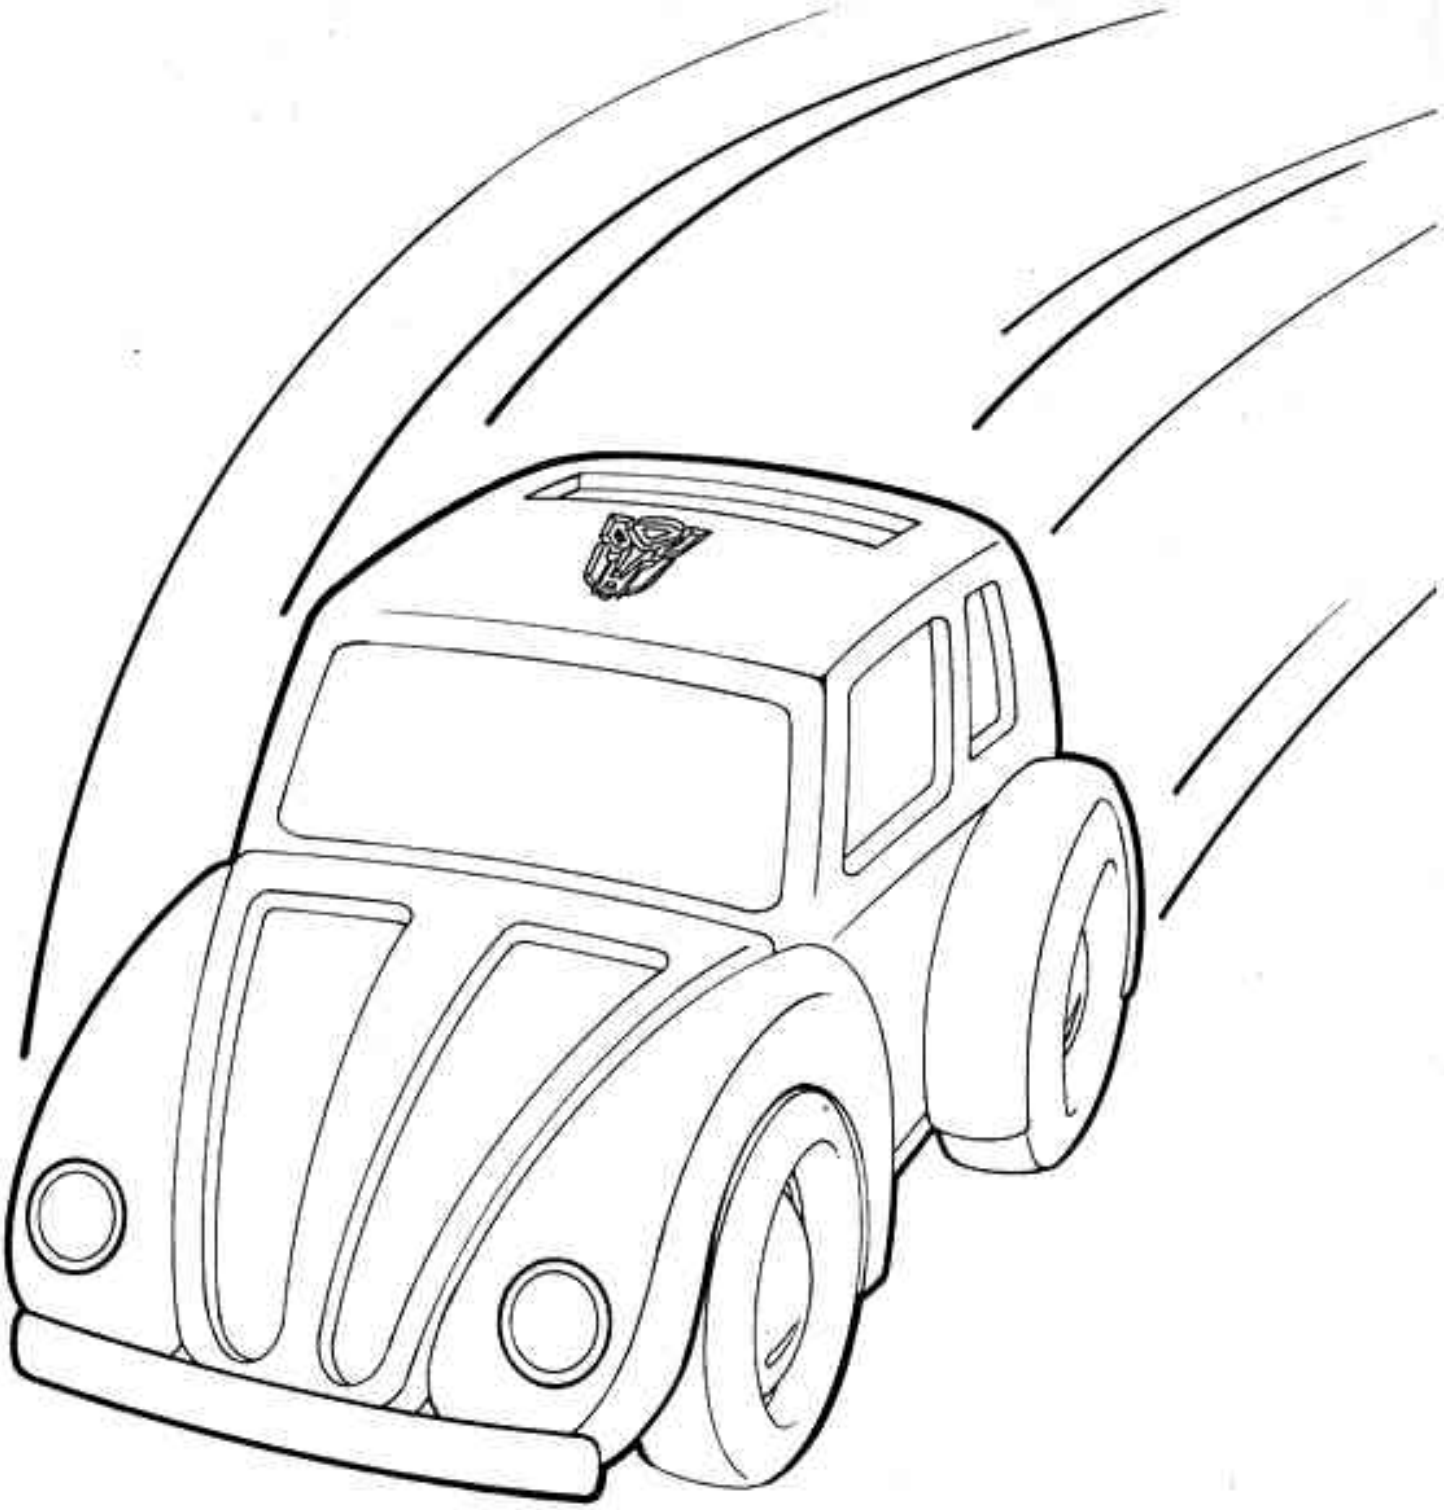
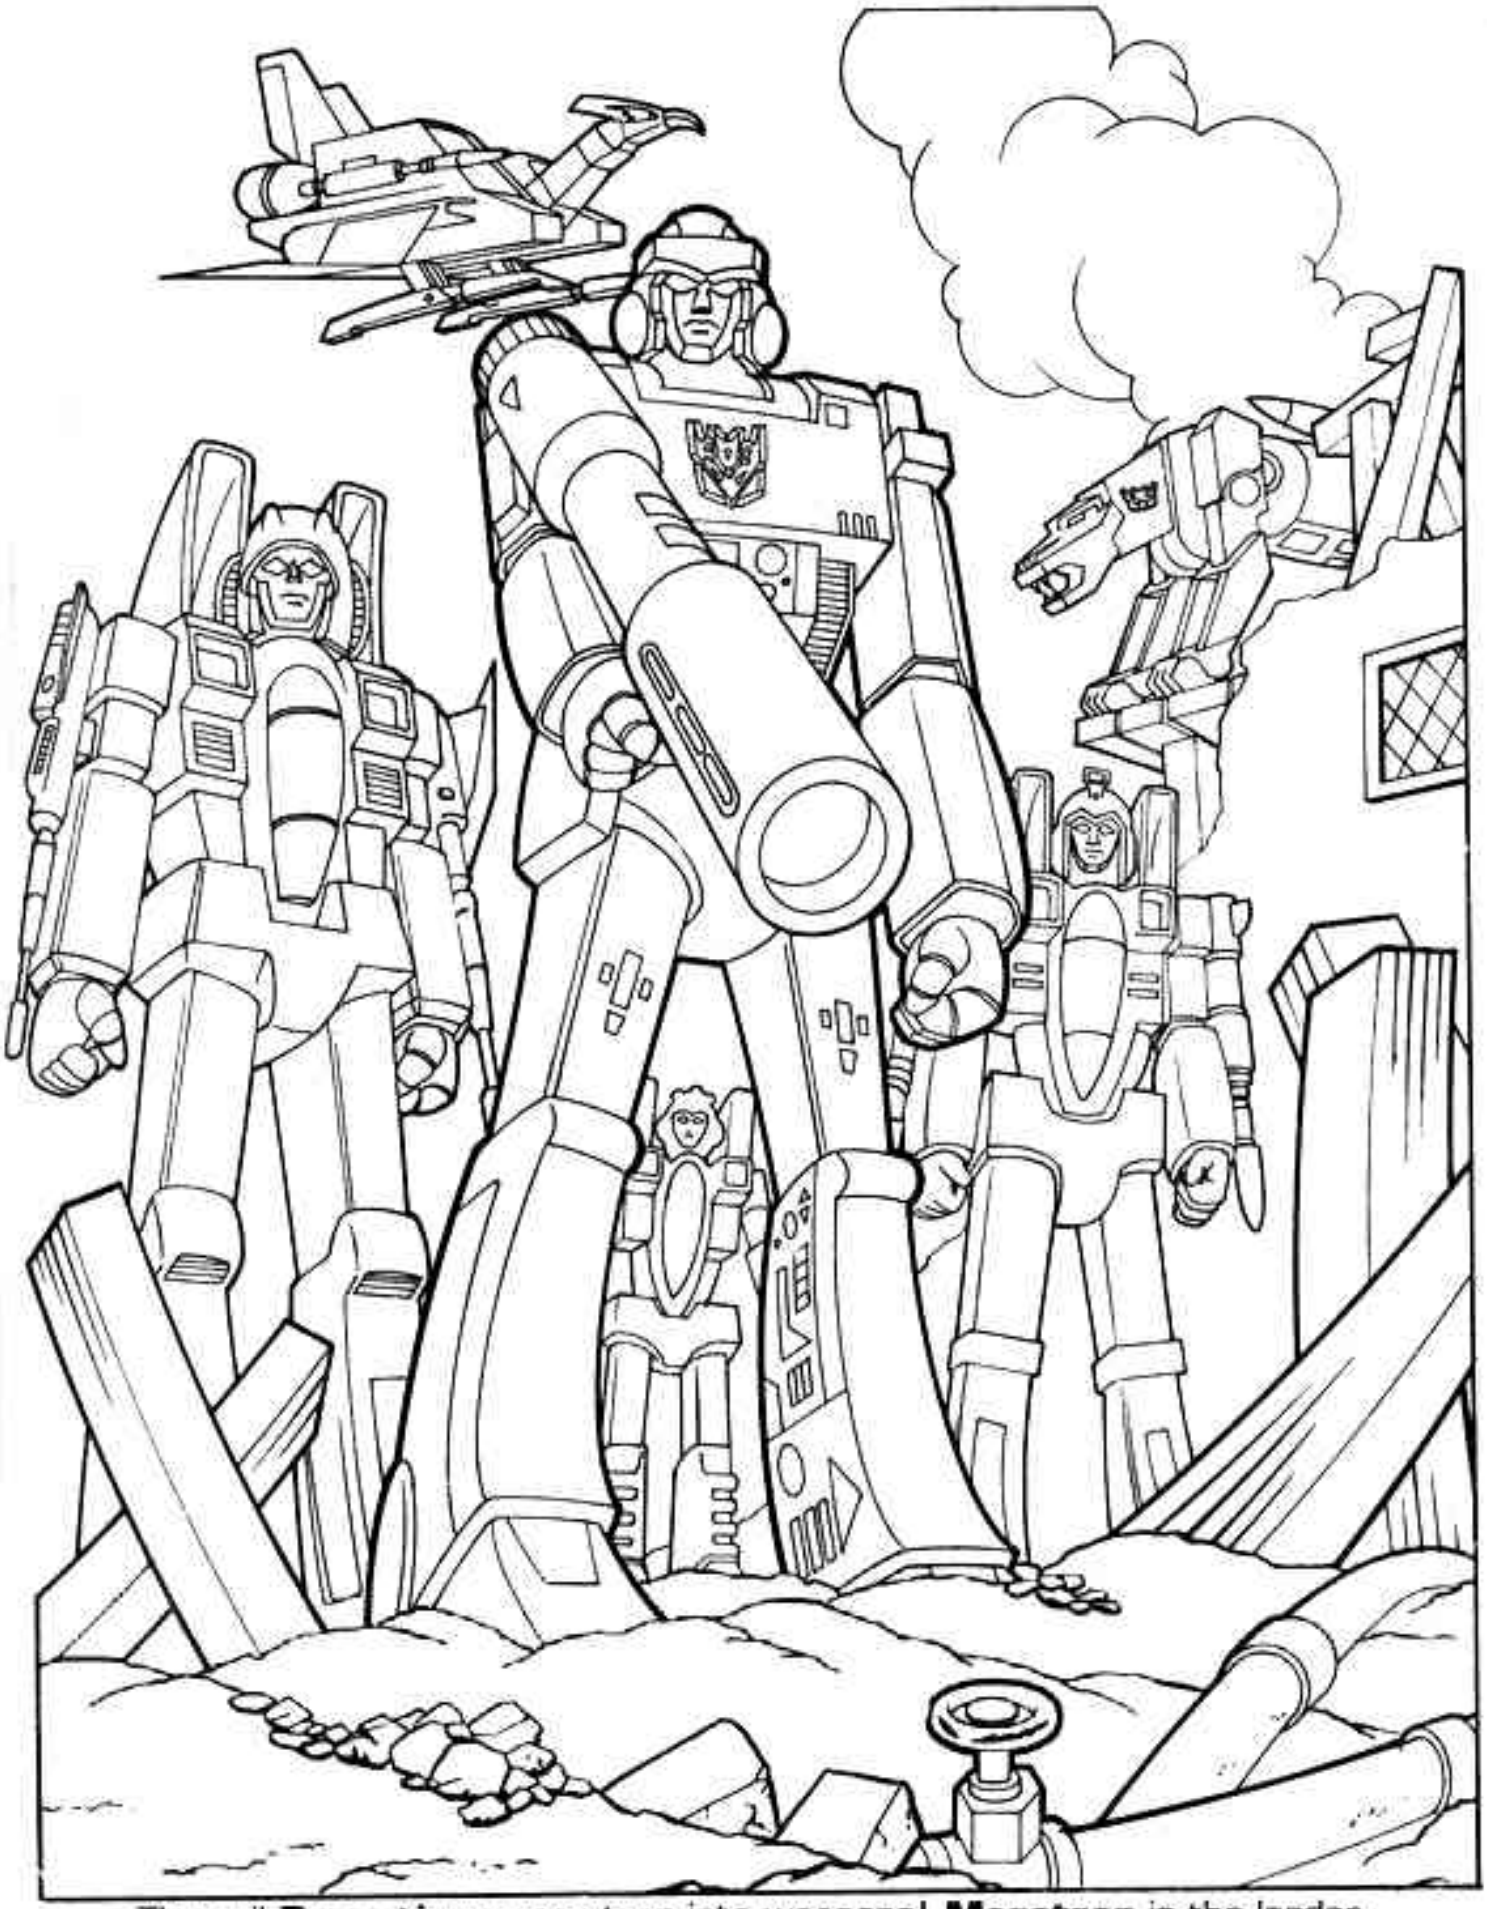
Meet the mighty **Autobots! Optimus Prime** is the leader. **Bumblebee, Mirage, Rachet** and super-strong **Huffer** are his friends!

Bumblebee has telescopic eyes. He can see things very far away!



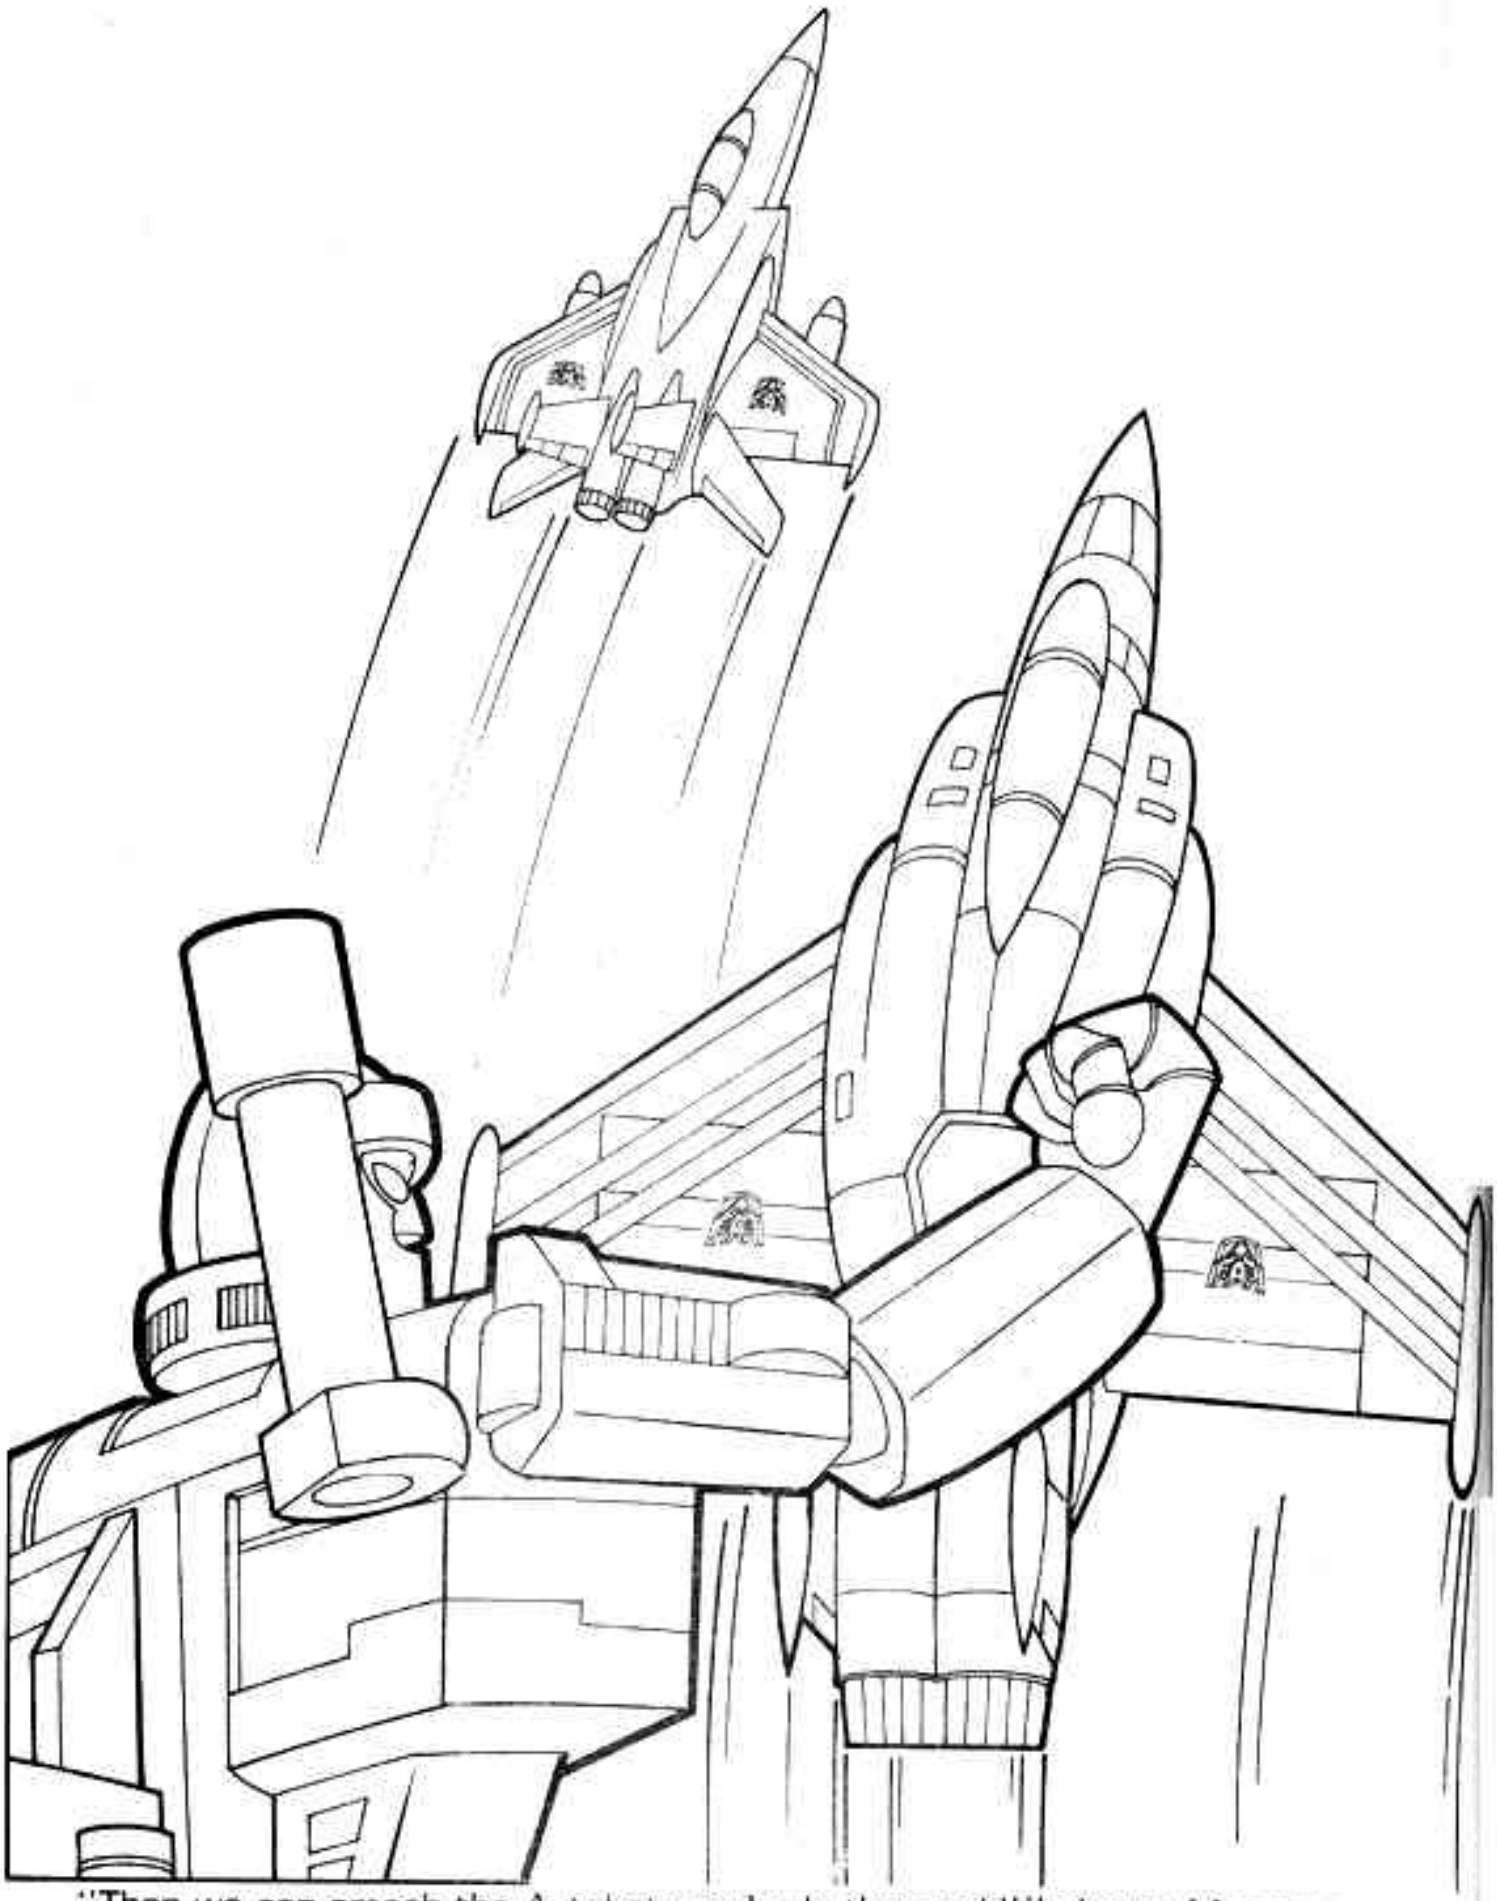
And, like the other Autobots, he can change his identity! Bumblebee can become a small car!



The evil **Decepticons** can turn into weapons! **Megatron** is the leader. **Starscream, Thundercracker, Skywarp, Laserbeak** and **Ravage** are all evil Decepticons.

"This is the Day of the Decepticons!" shouts Megatron.

"Patrol every inch of the earth!" says Megatron.
"Find a factory we can use to make an army of Decepticons!"



"Then we can smash the Autobots and rule the world!" shouts Megatron.

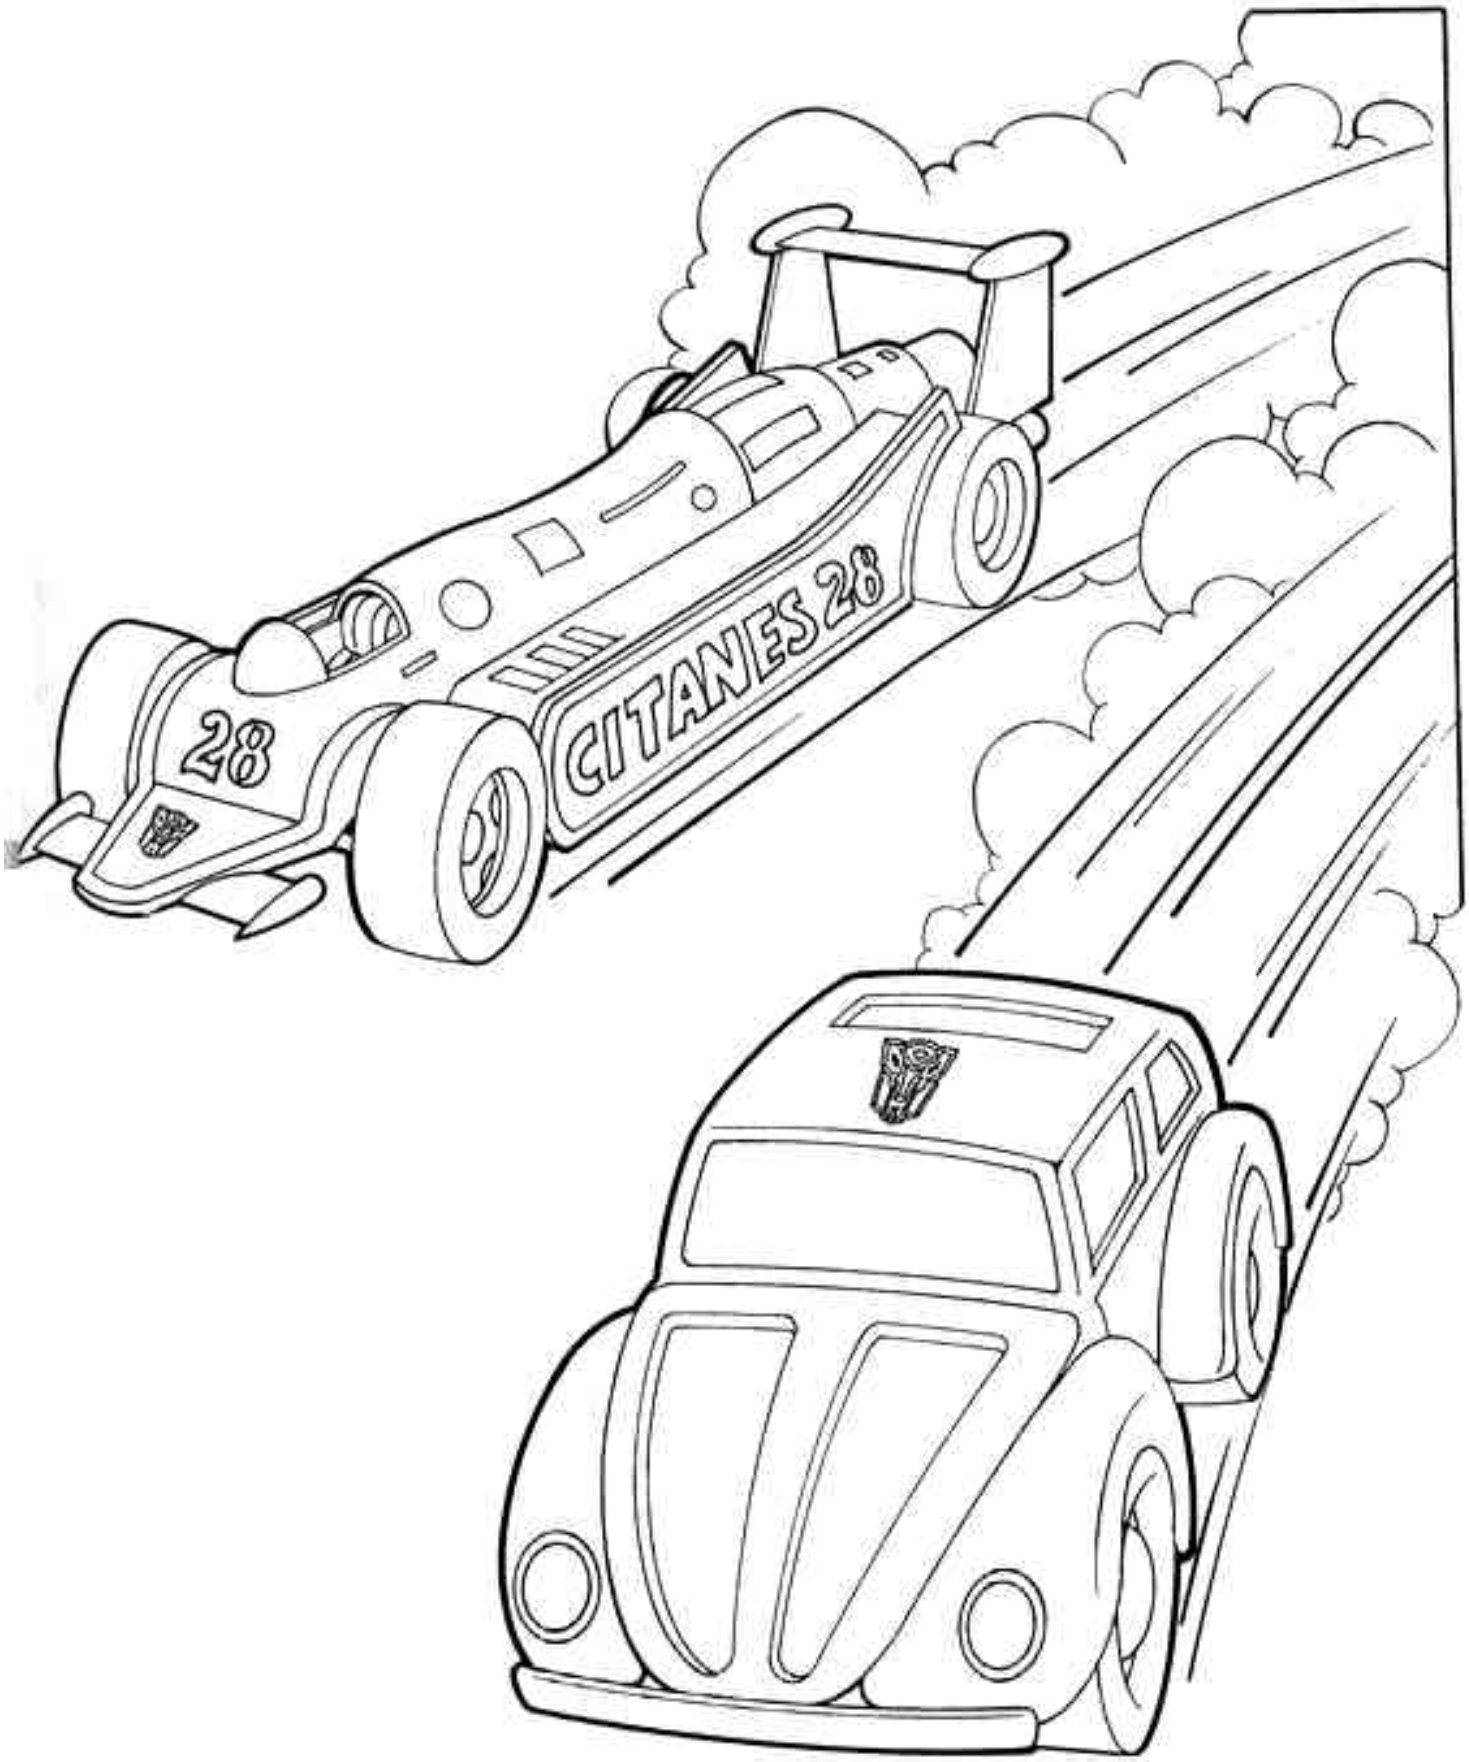
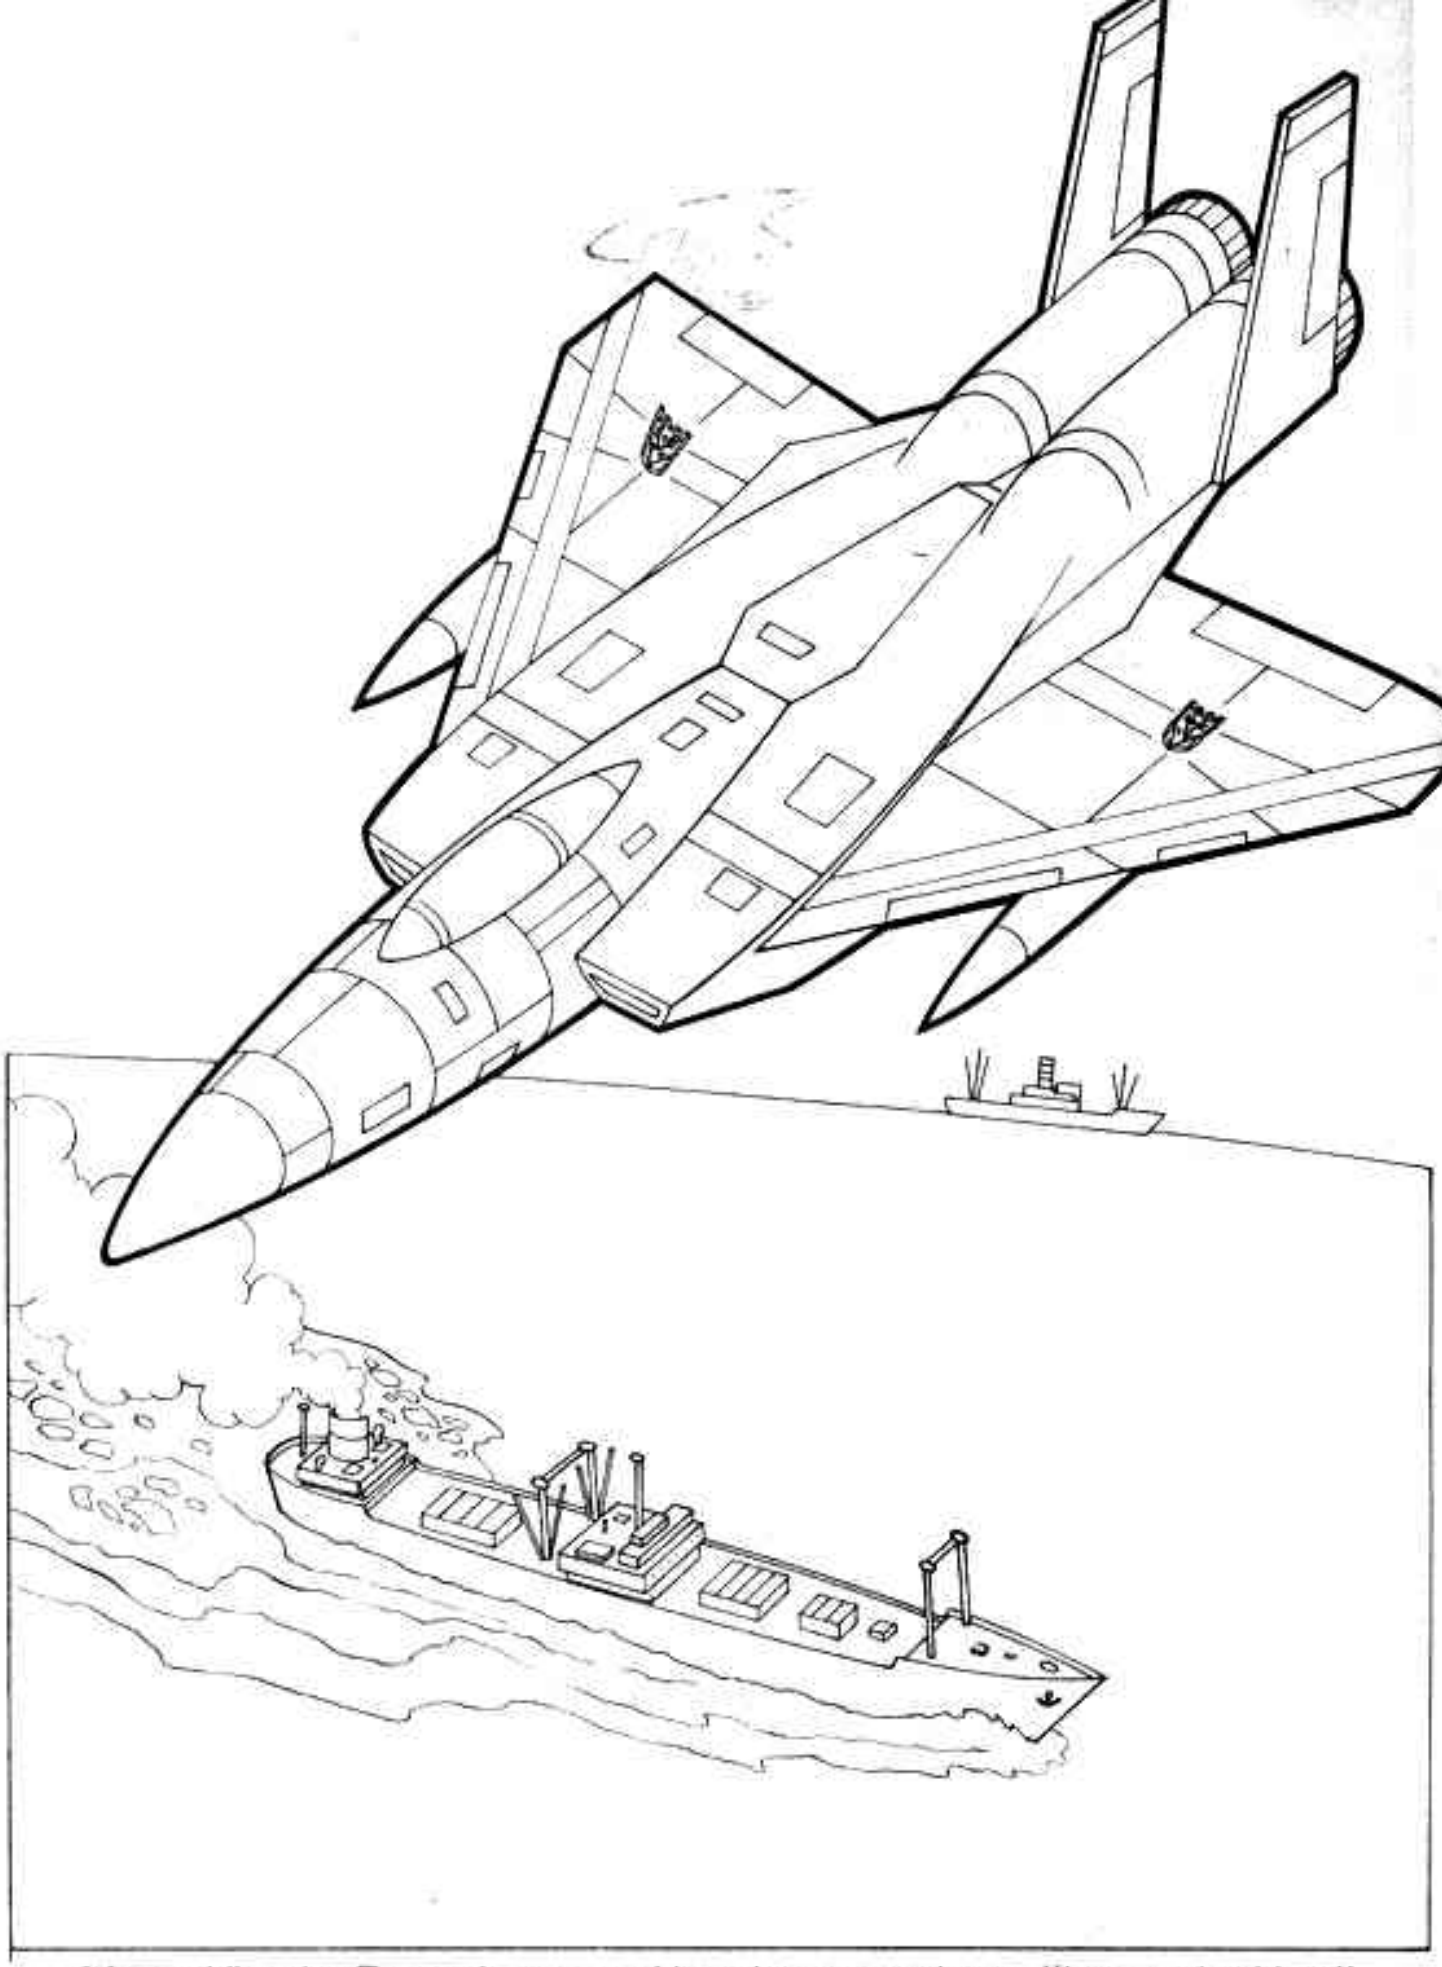
"It is too peaceful today!" says Optimus Prime. "I bet the Decepticons are planning trouble!"

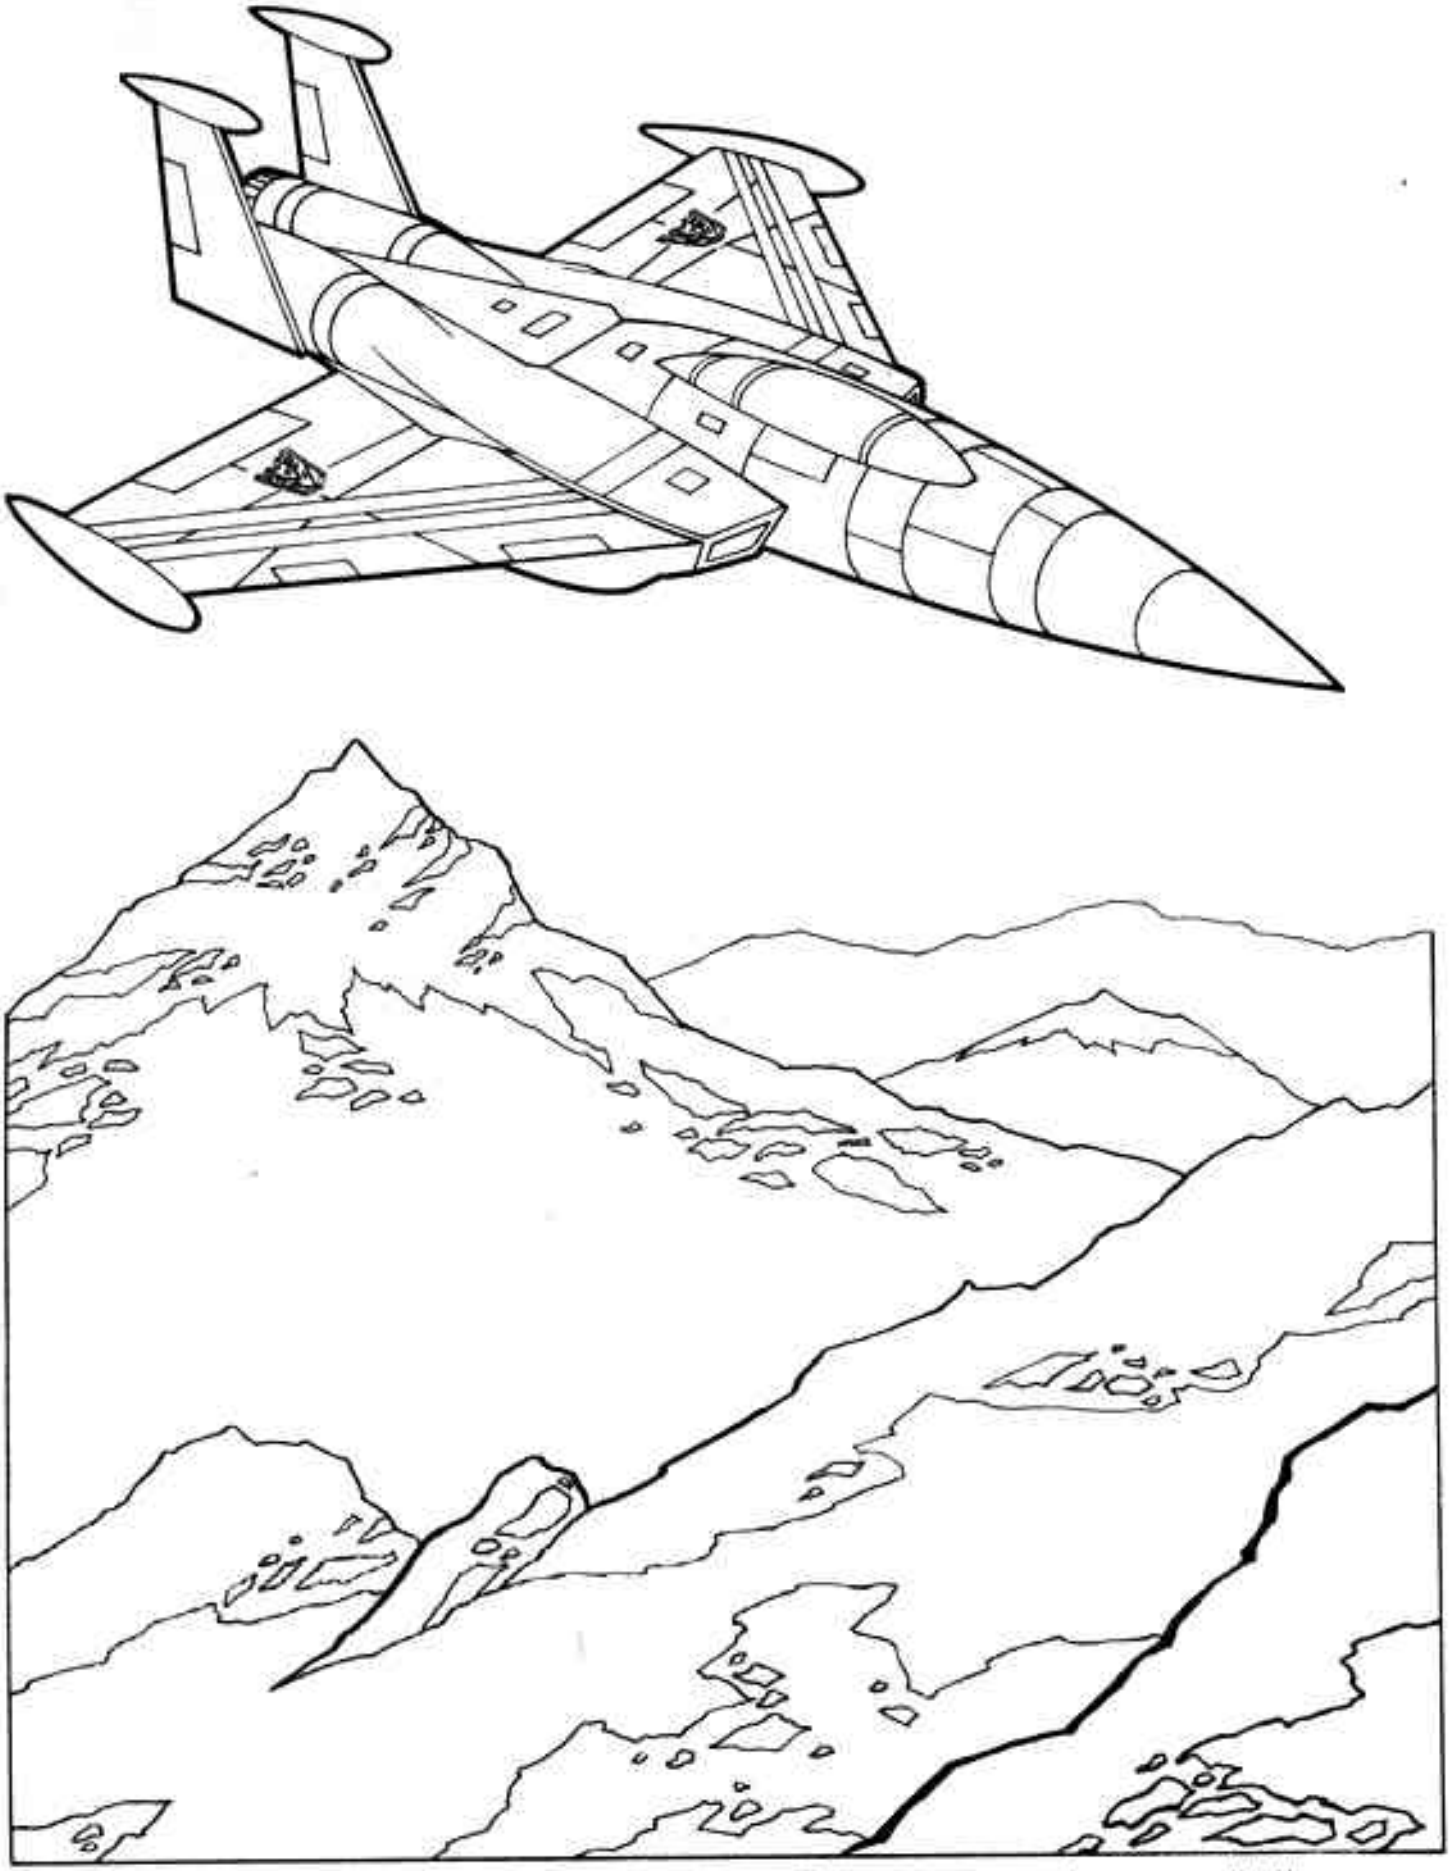
"Mirage! Bumblebee! You two are our best spies!" says Optimus Prime.
"Find out what the Decepticons are doing!"



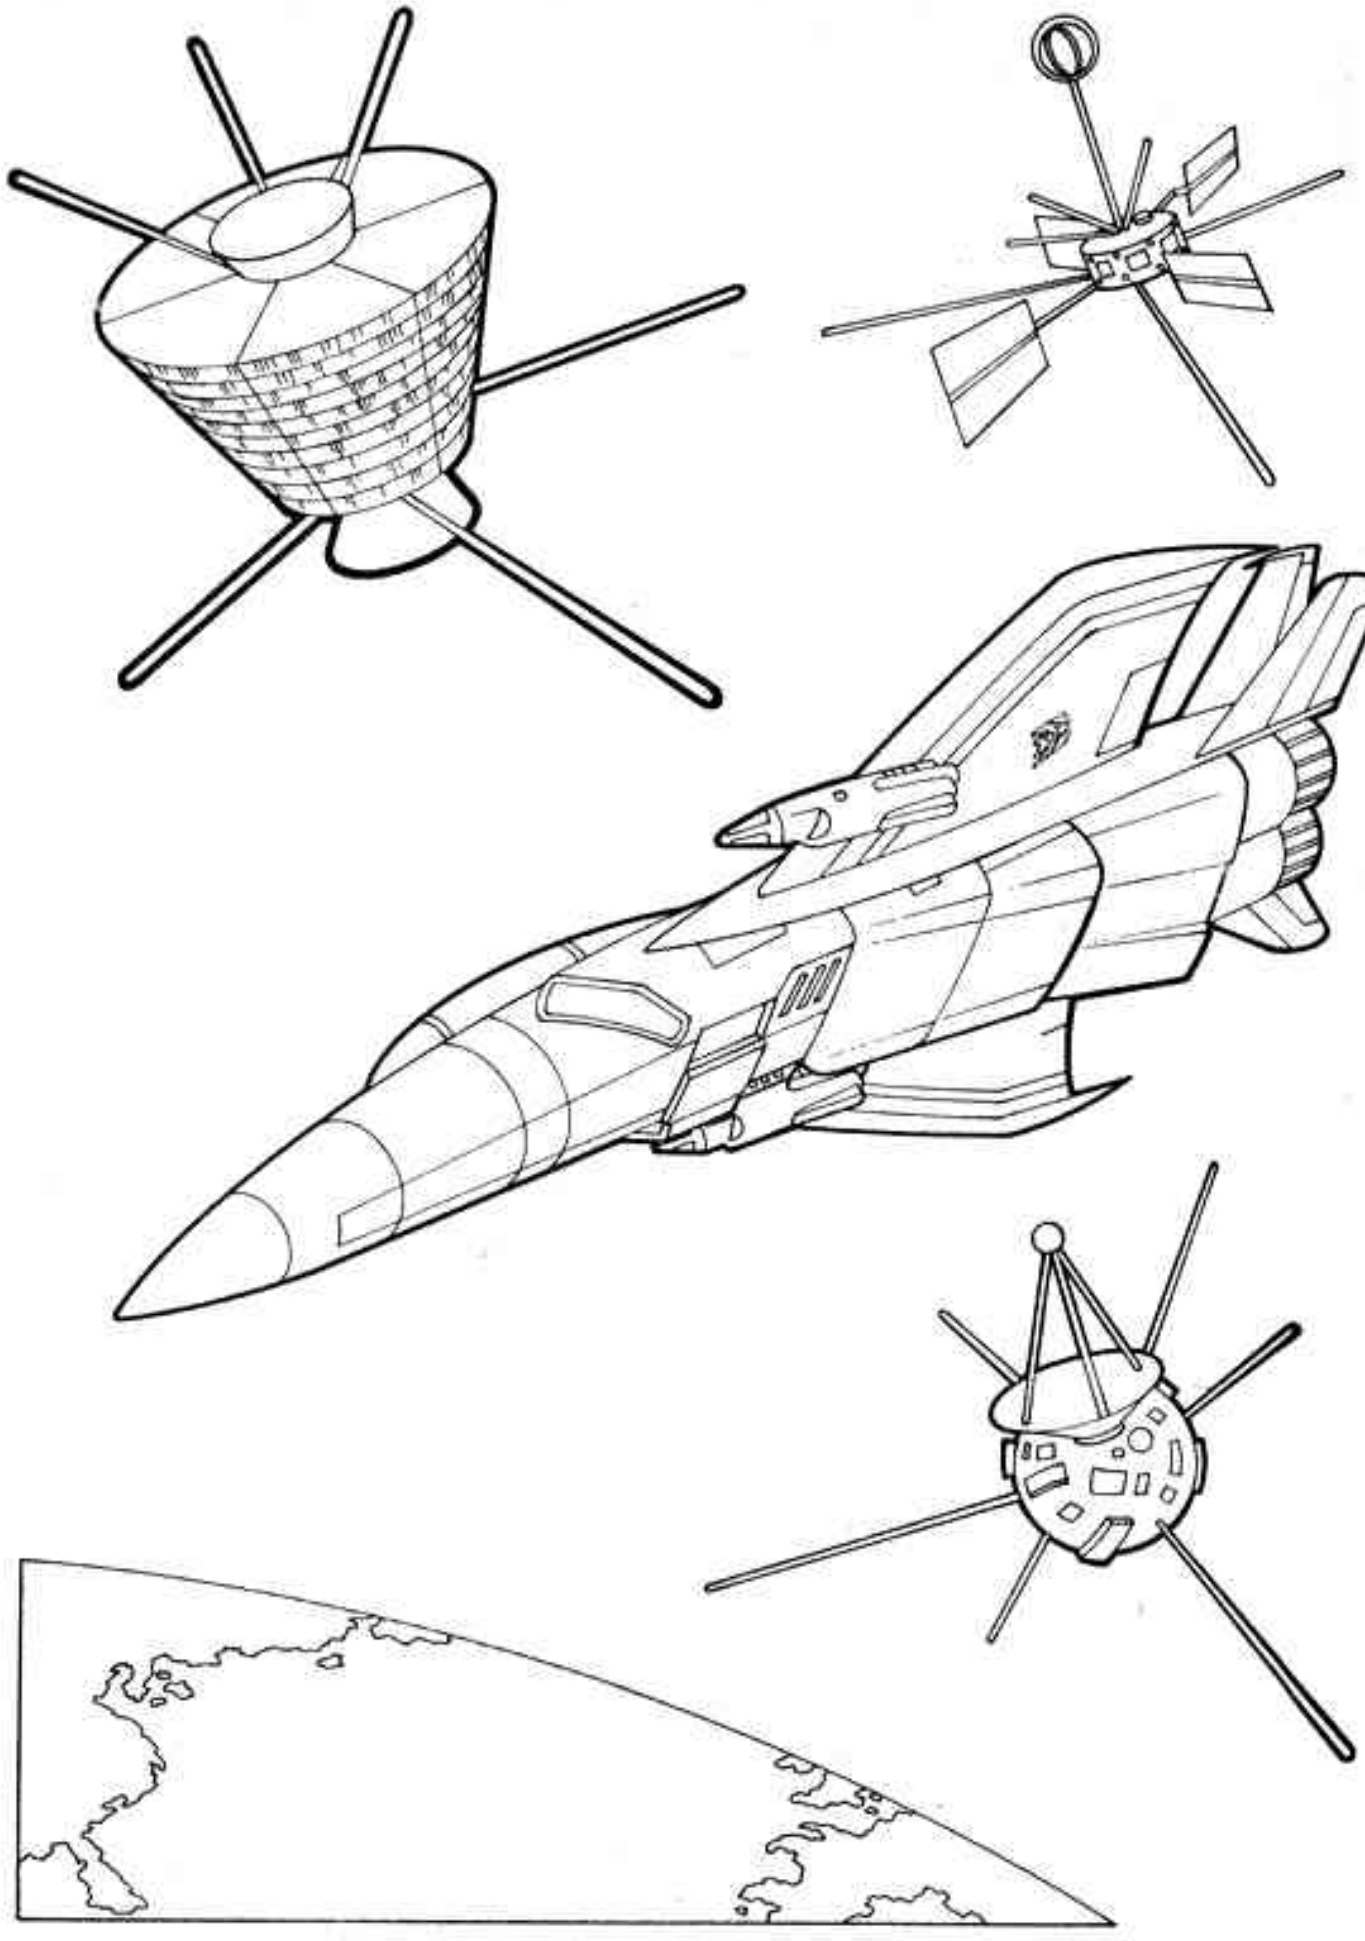
"You can count on us, Optimus Prime!" says Bumblebee.



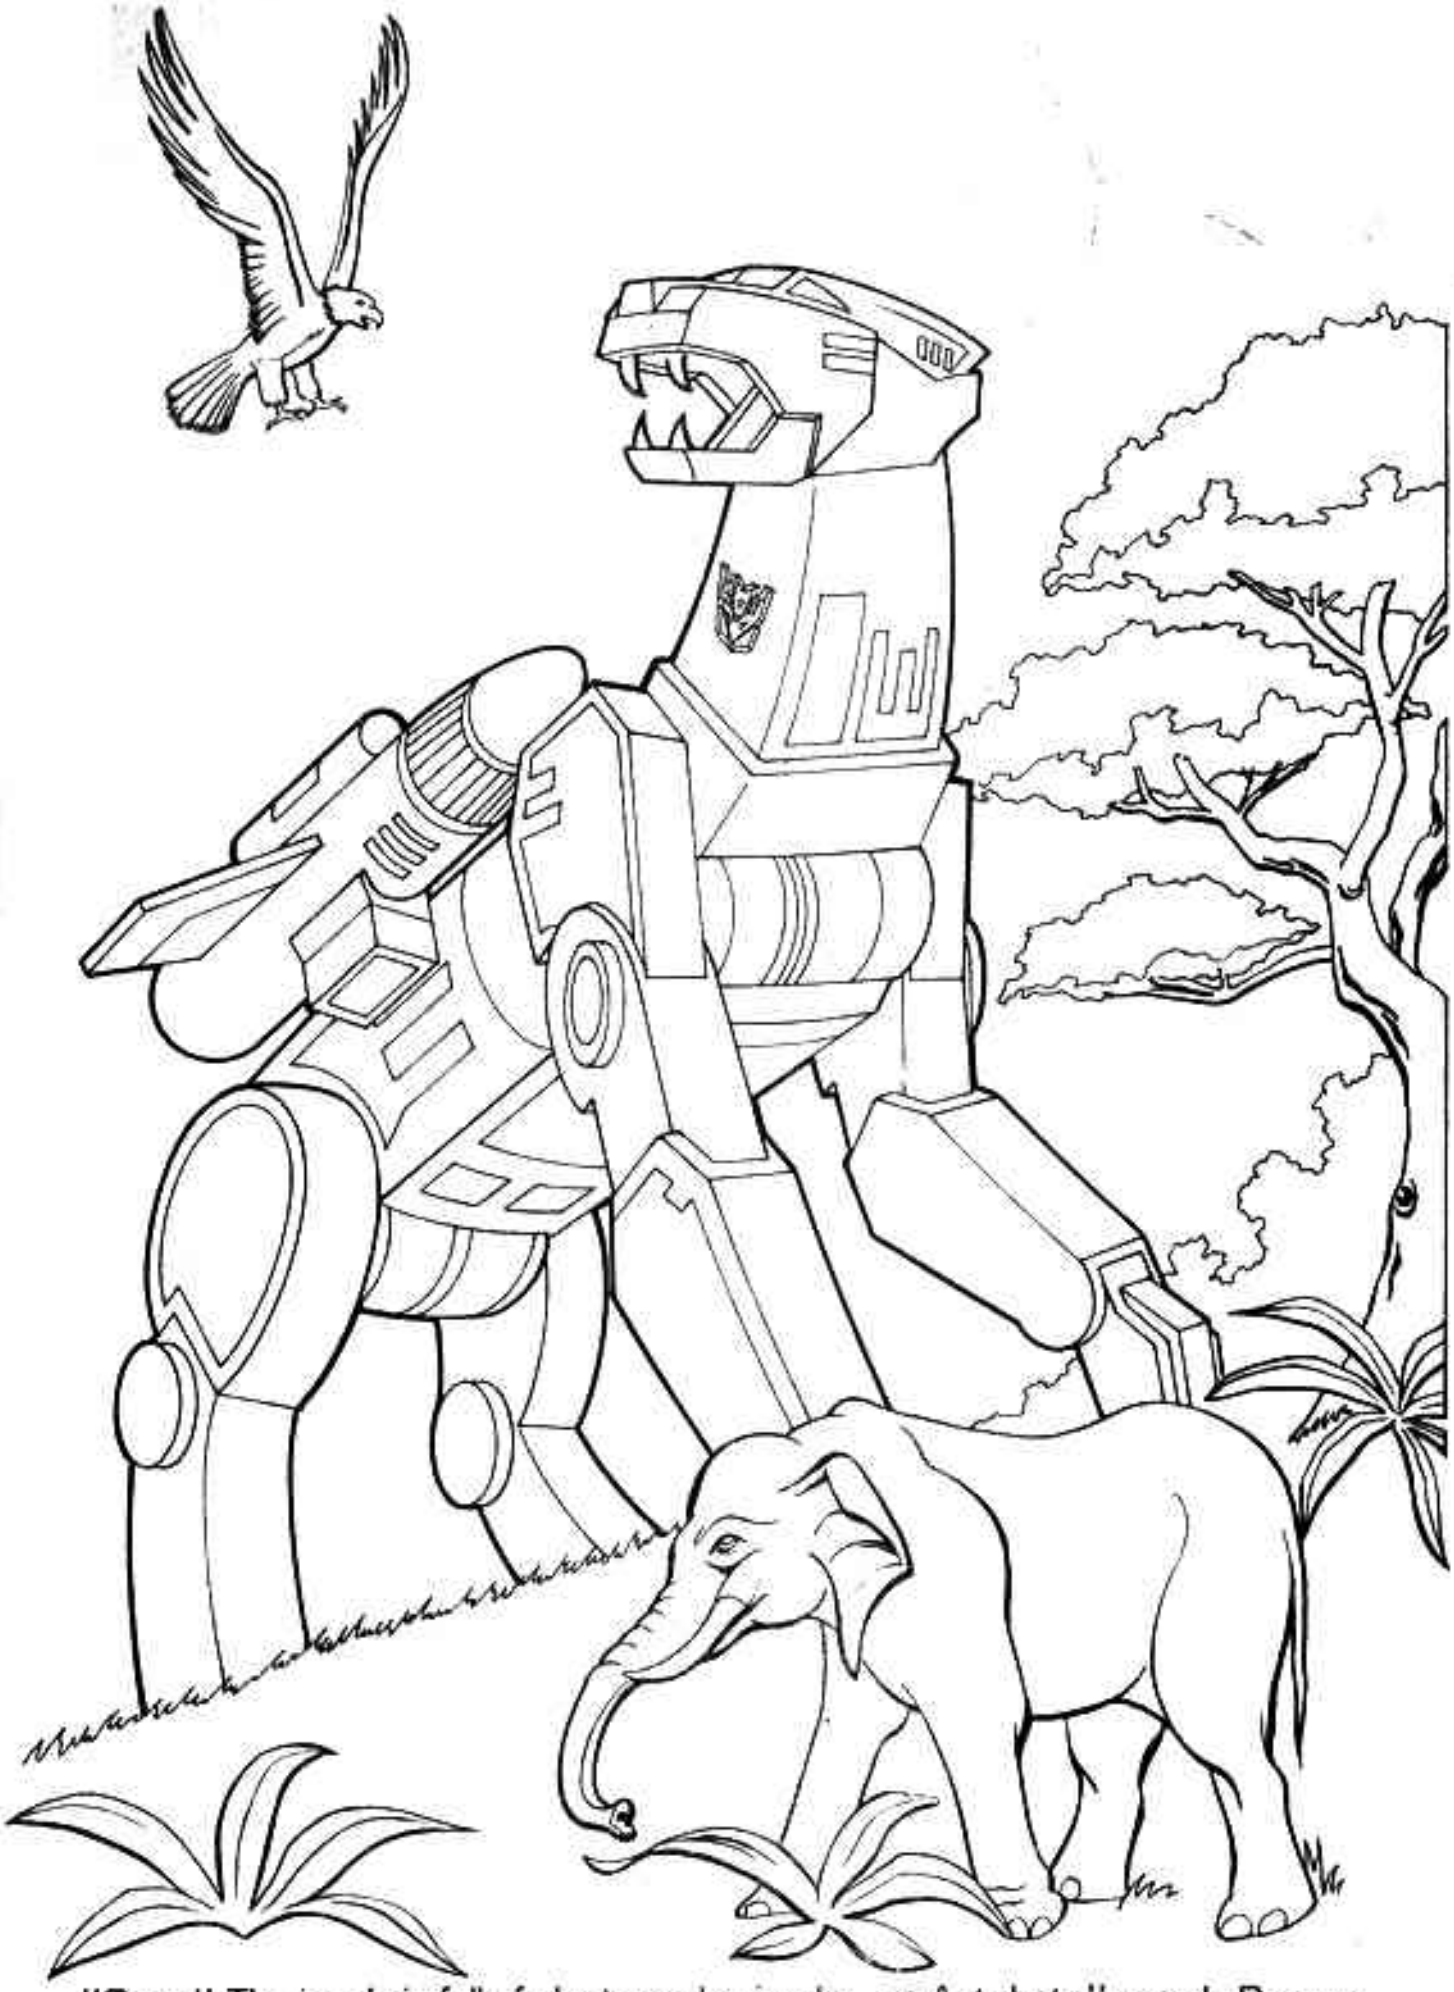
Meanwhile, the Decepticon patrol is going everywhere. "I see only ships," says the evil Skywarp as he searches the sea.



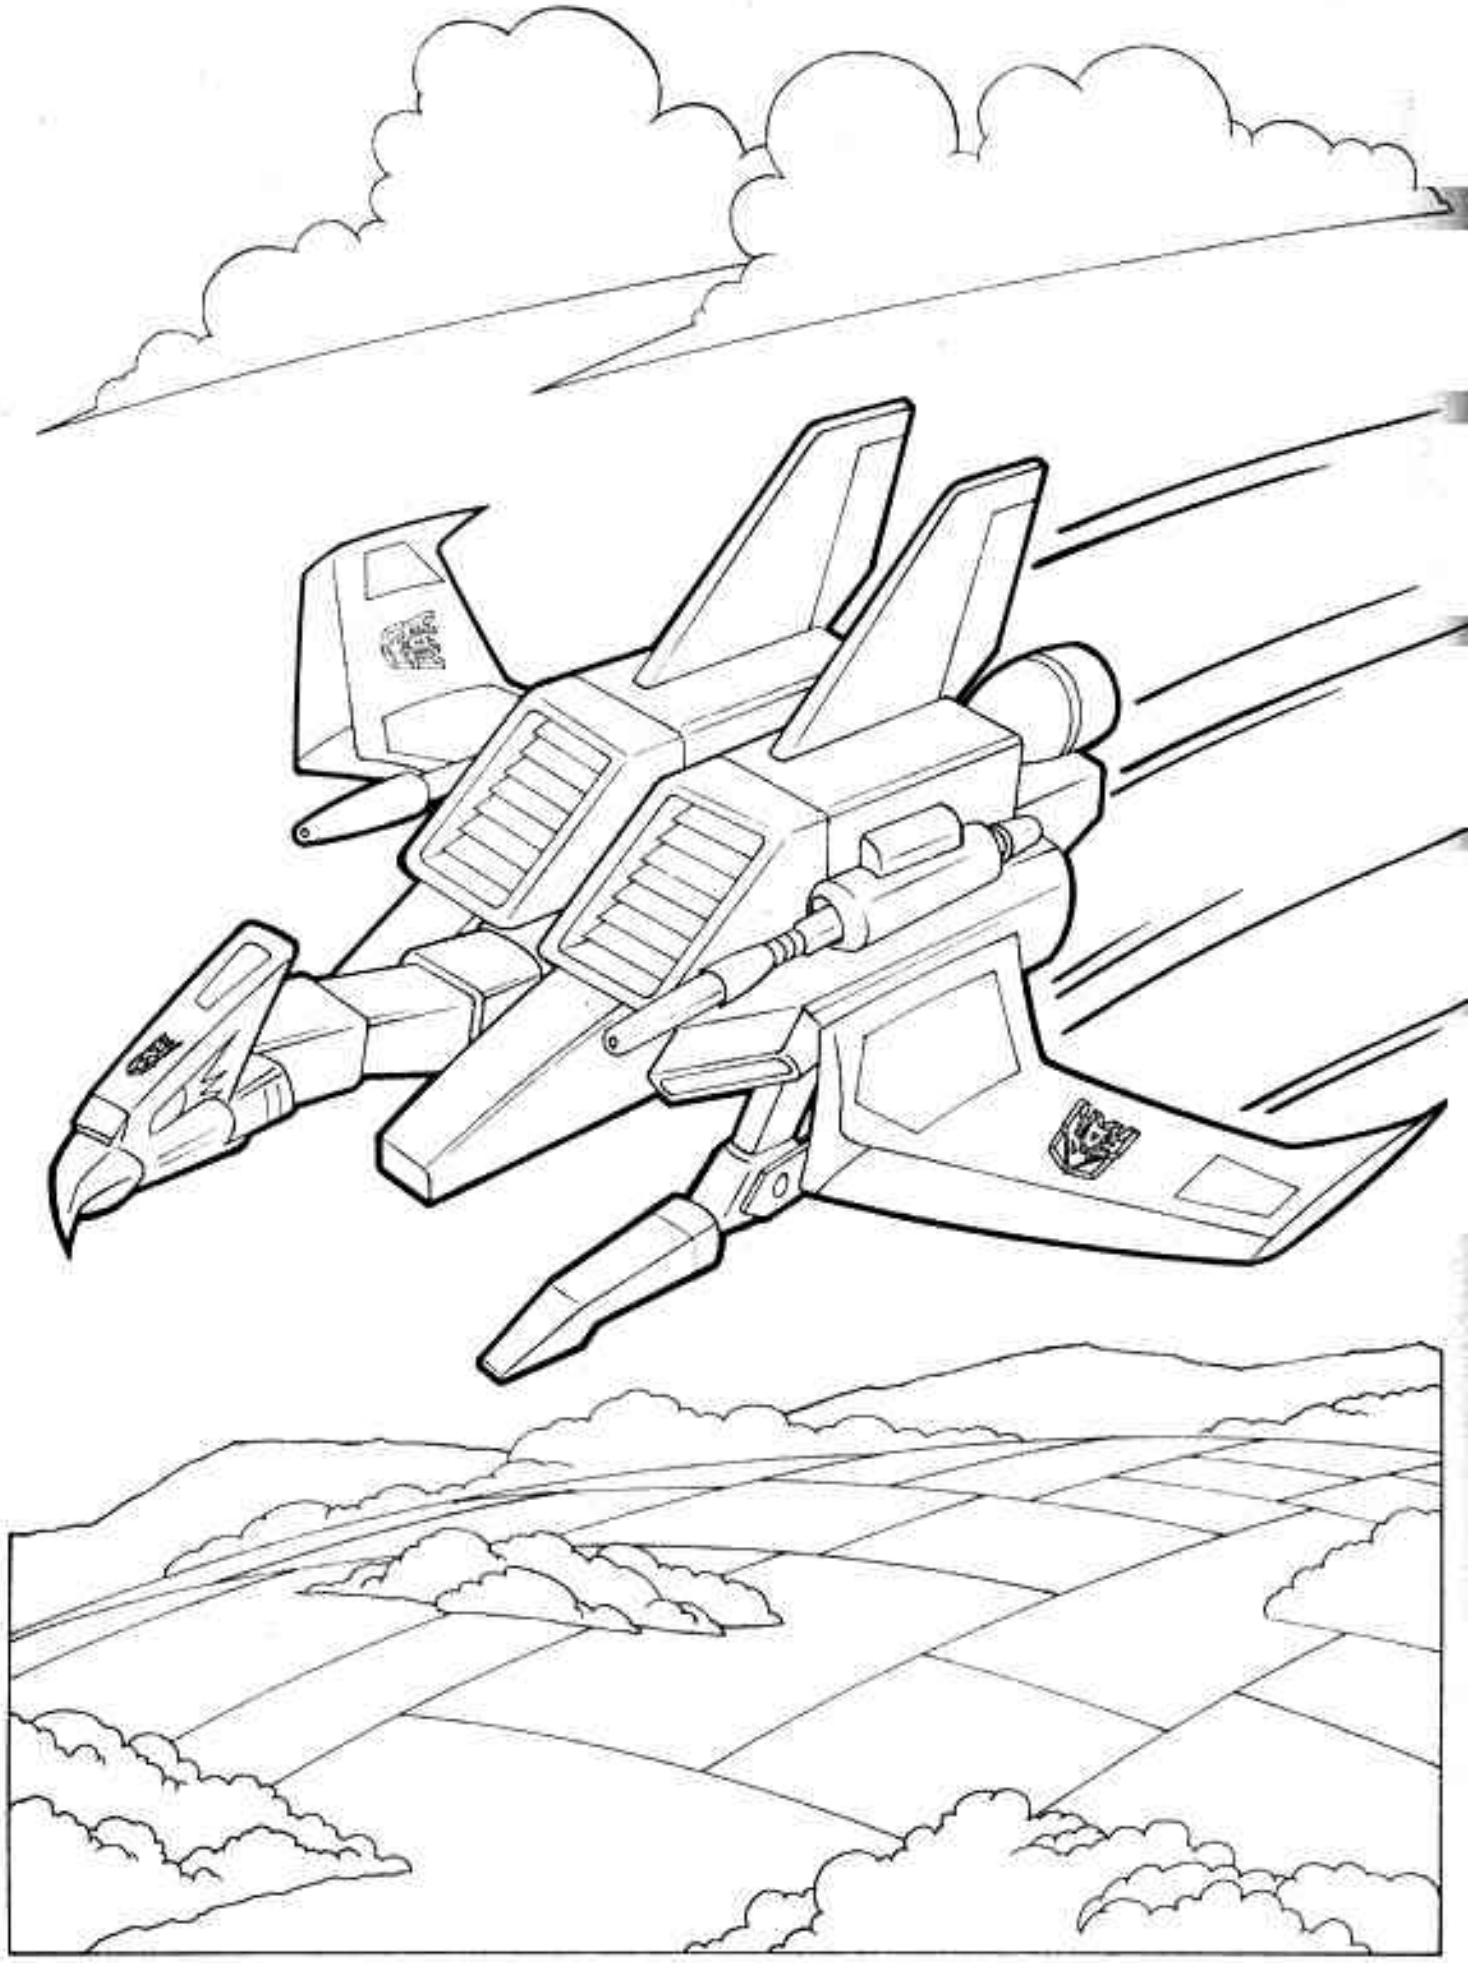
"I see only rocks and snow and ice! Brrrr! These mountains are cold!" shivers the Decepticon Thundercracker.



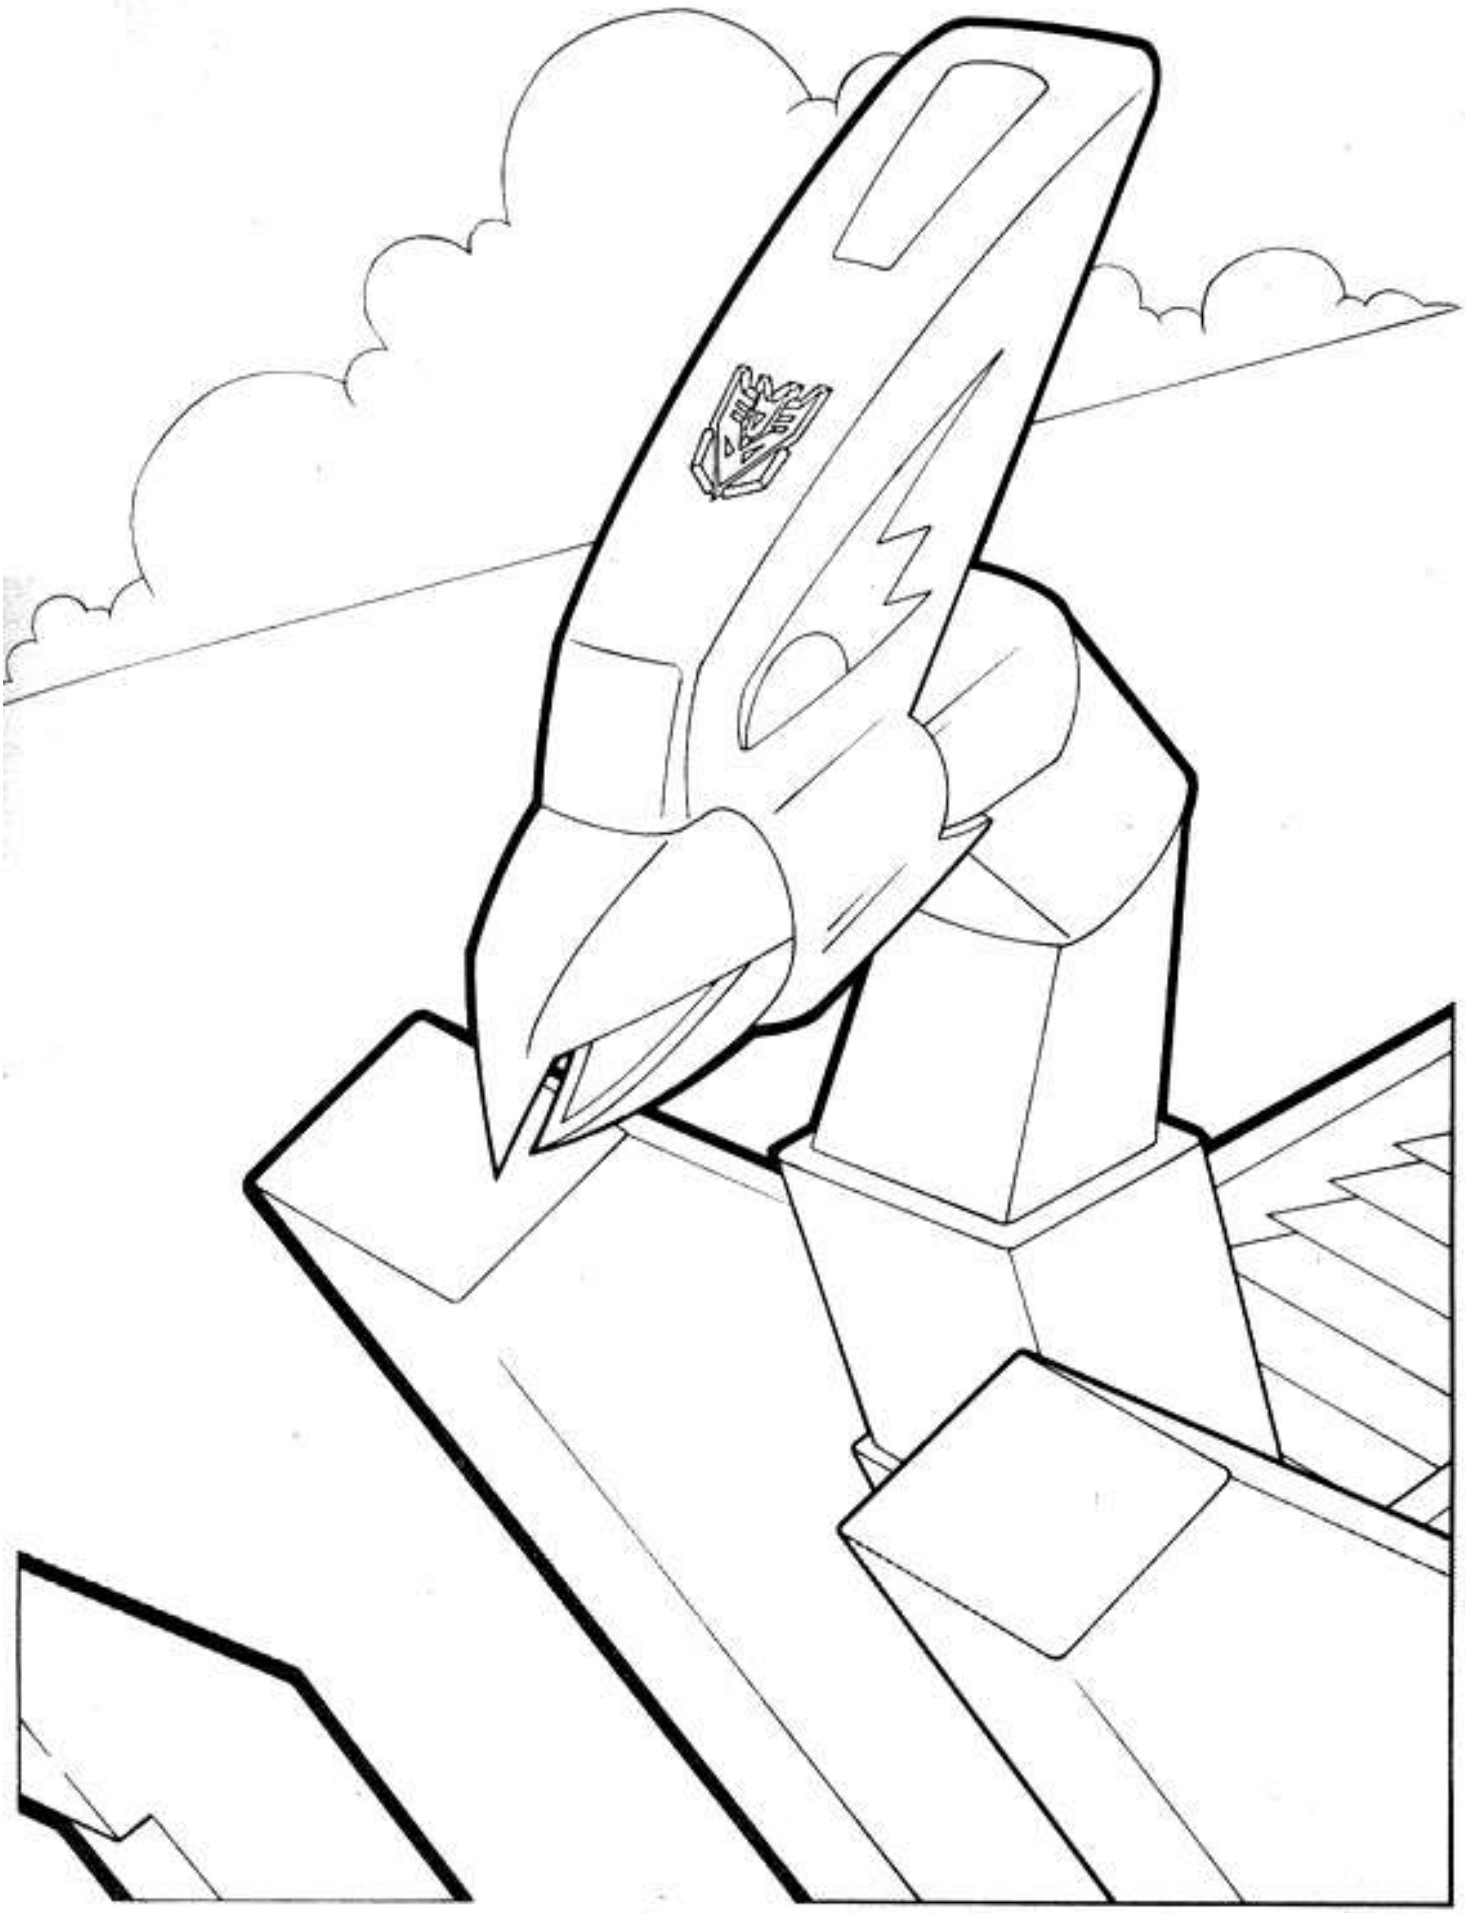
"There are only satellites in space!" says Starscream.



"Growl! The jungle is full of plants and animals—no Autobots" growls Ravage.



"I hope I don't see a bunch of Autobots," says the cowardly Laserbeak.



"Oh no!" screams Laserbeak. "The Decepticons are doomed!"

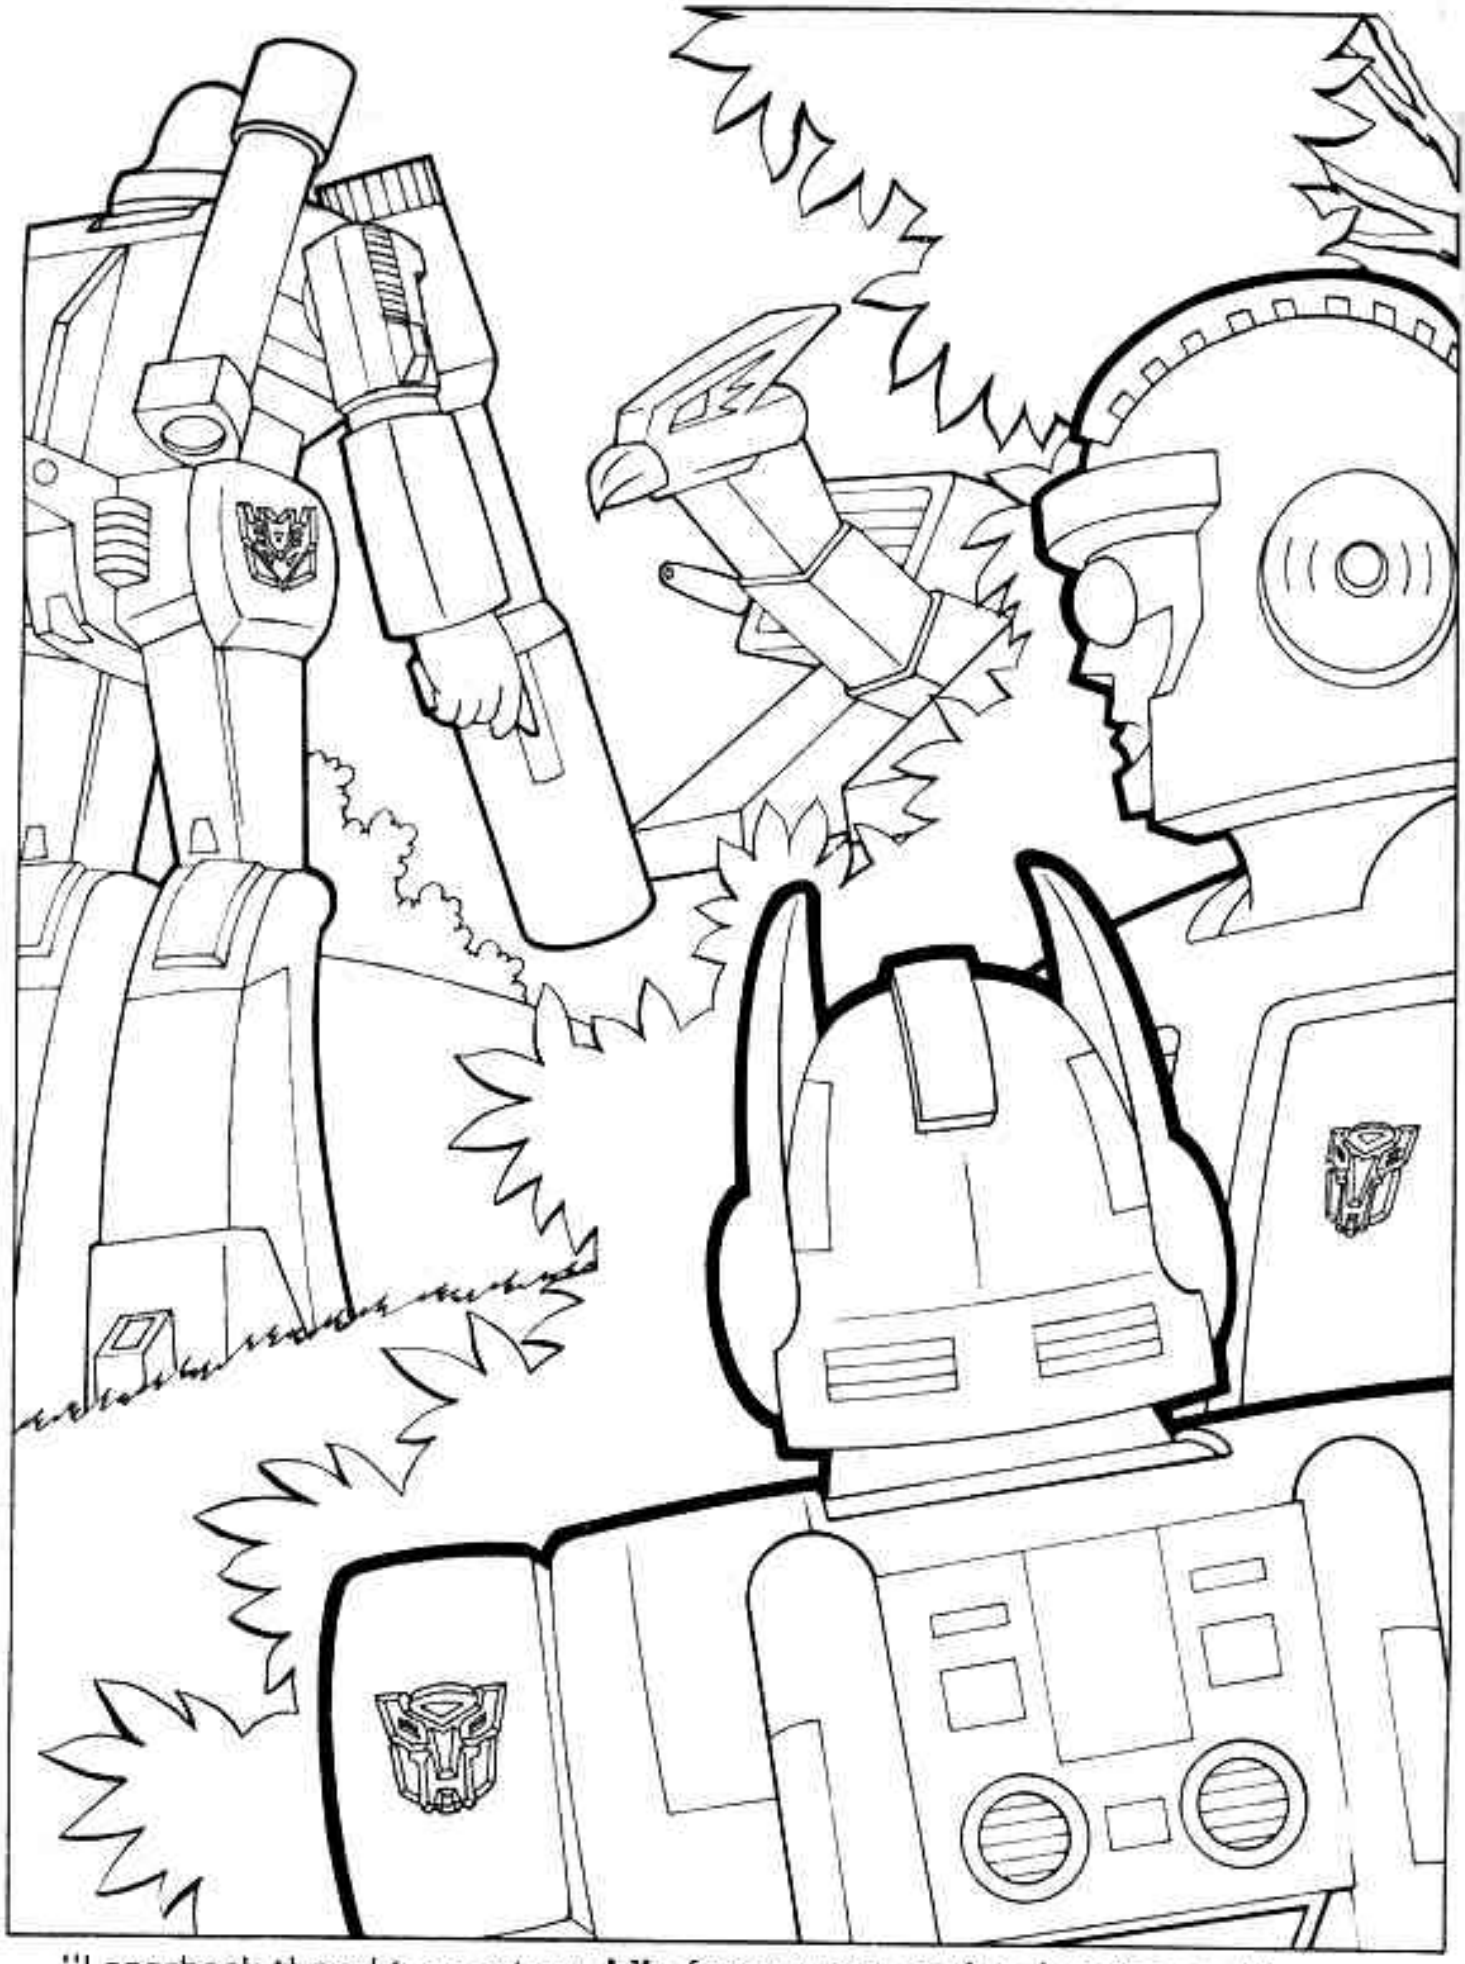
OOBTAUT MYAR!

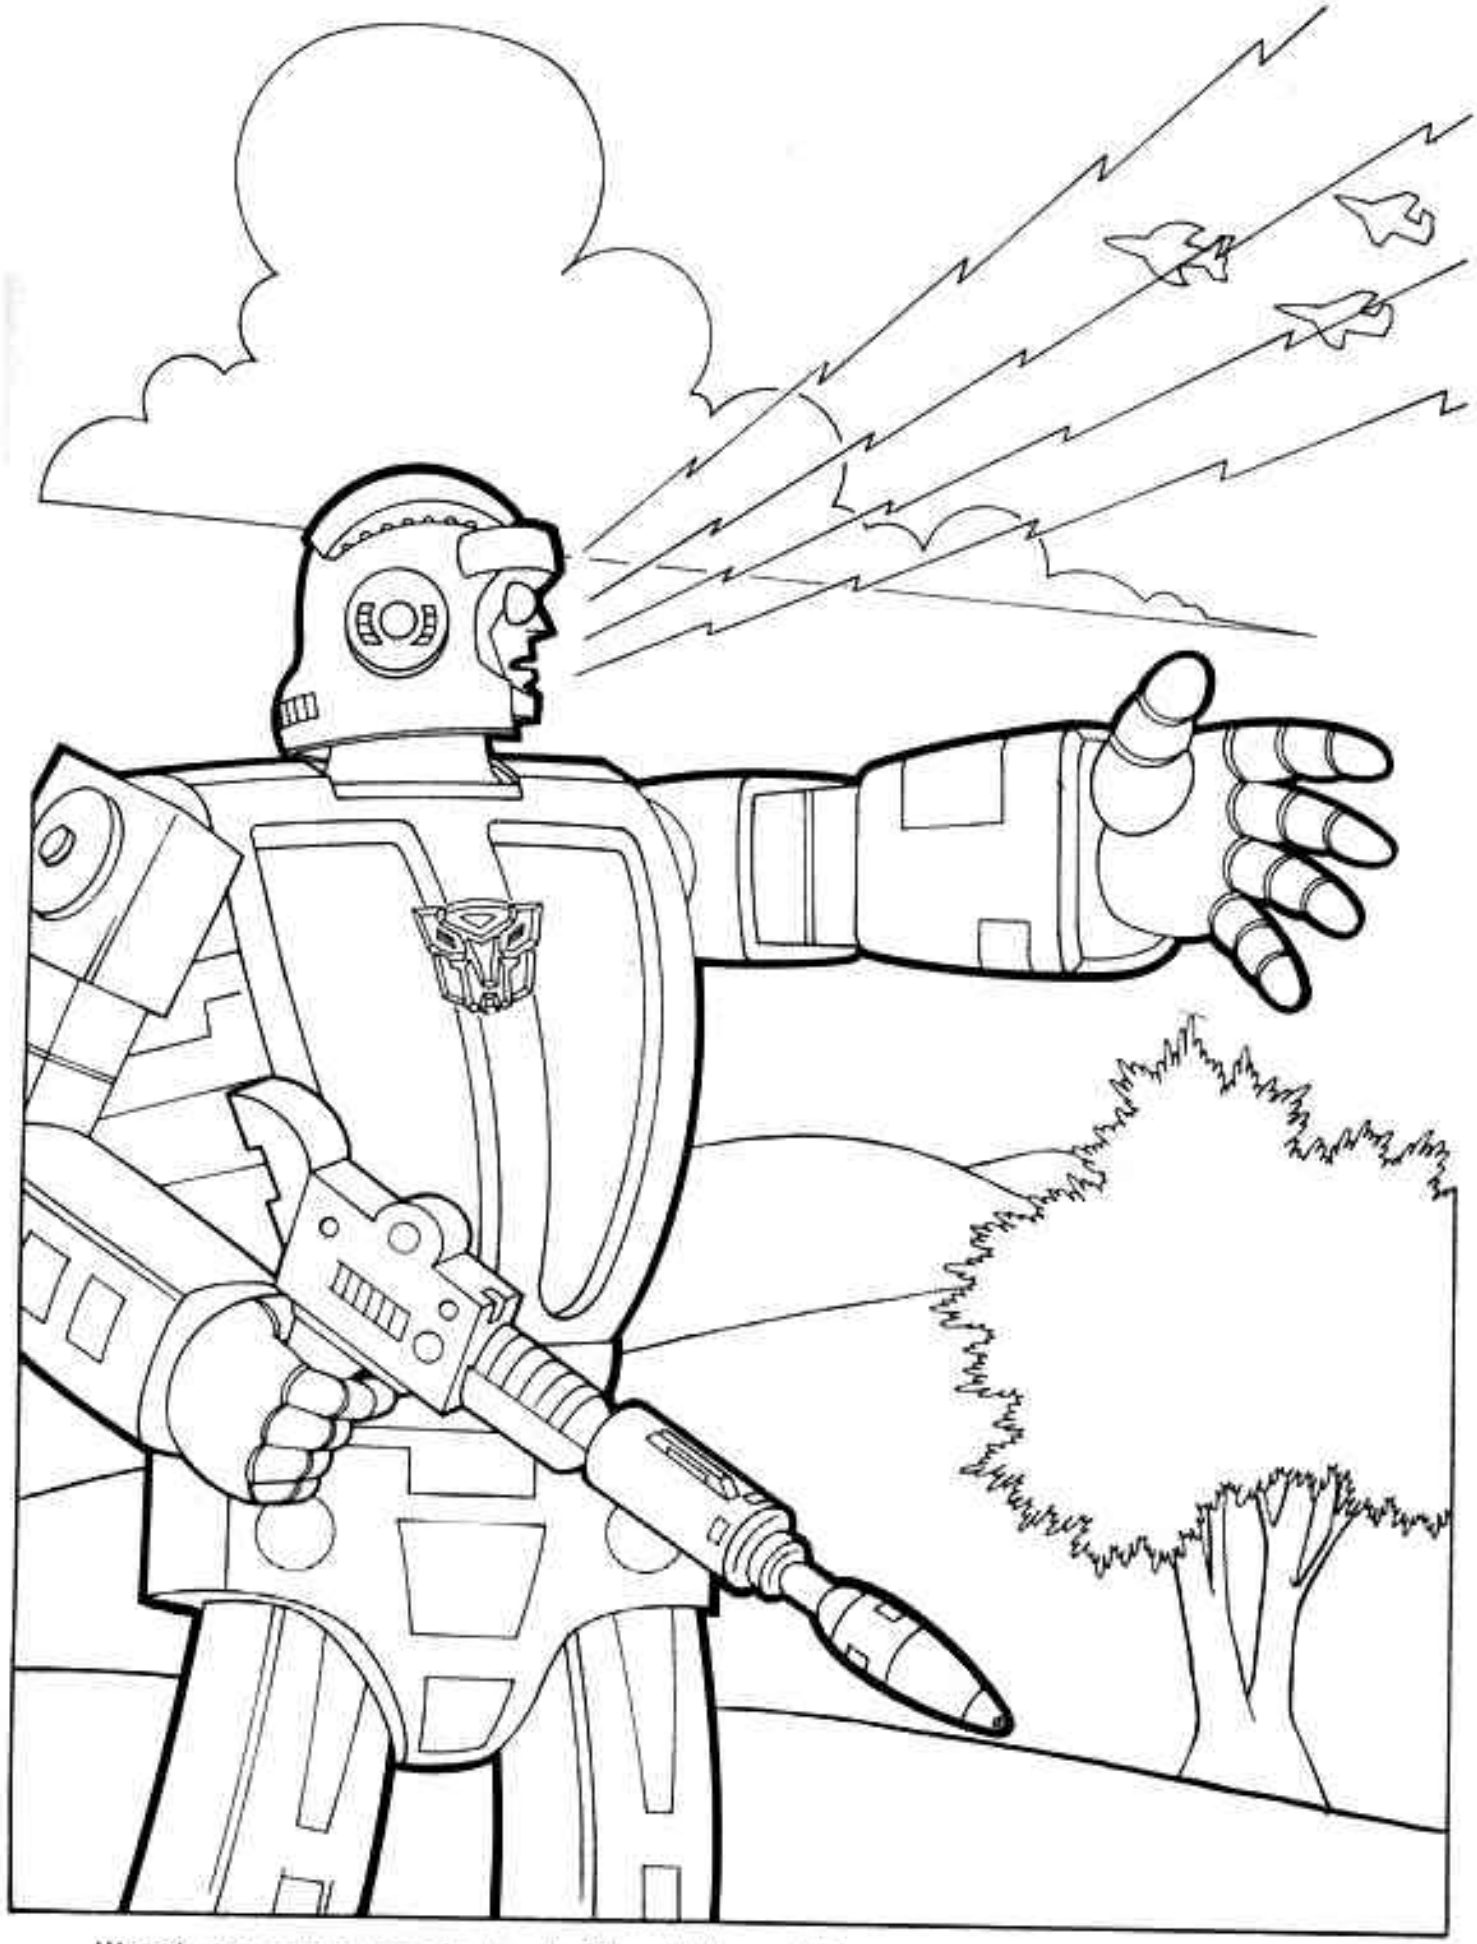
They are making an Autobot army!



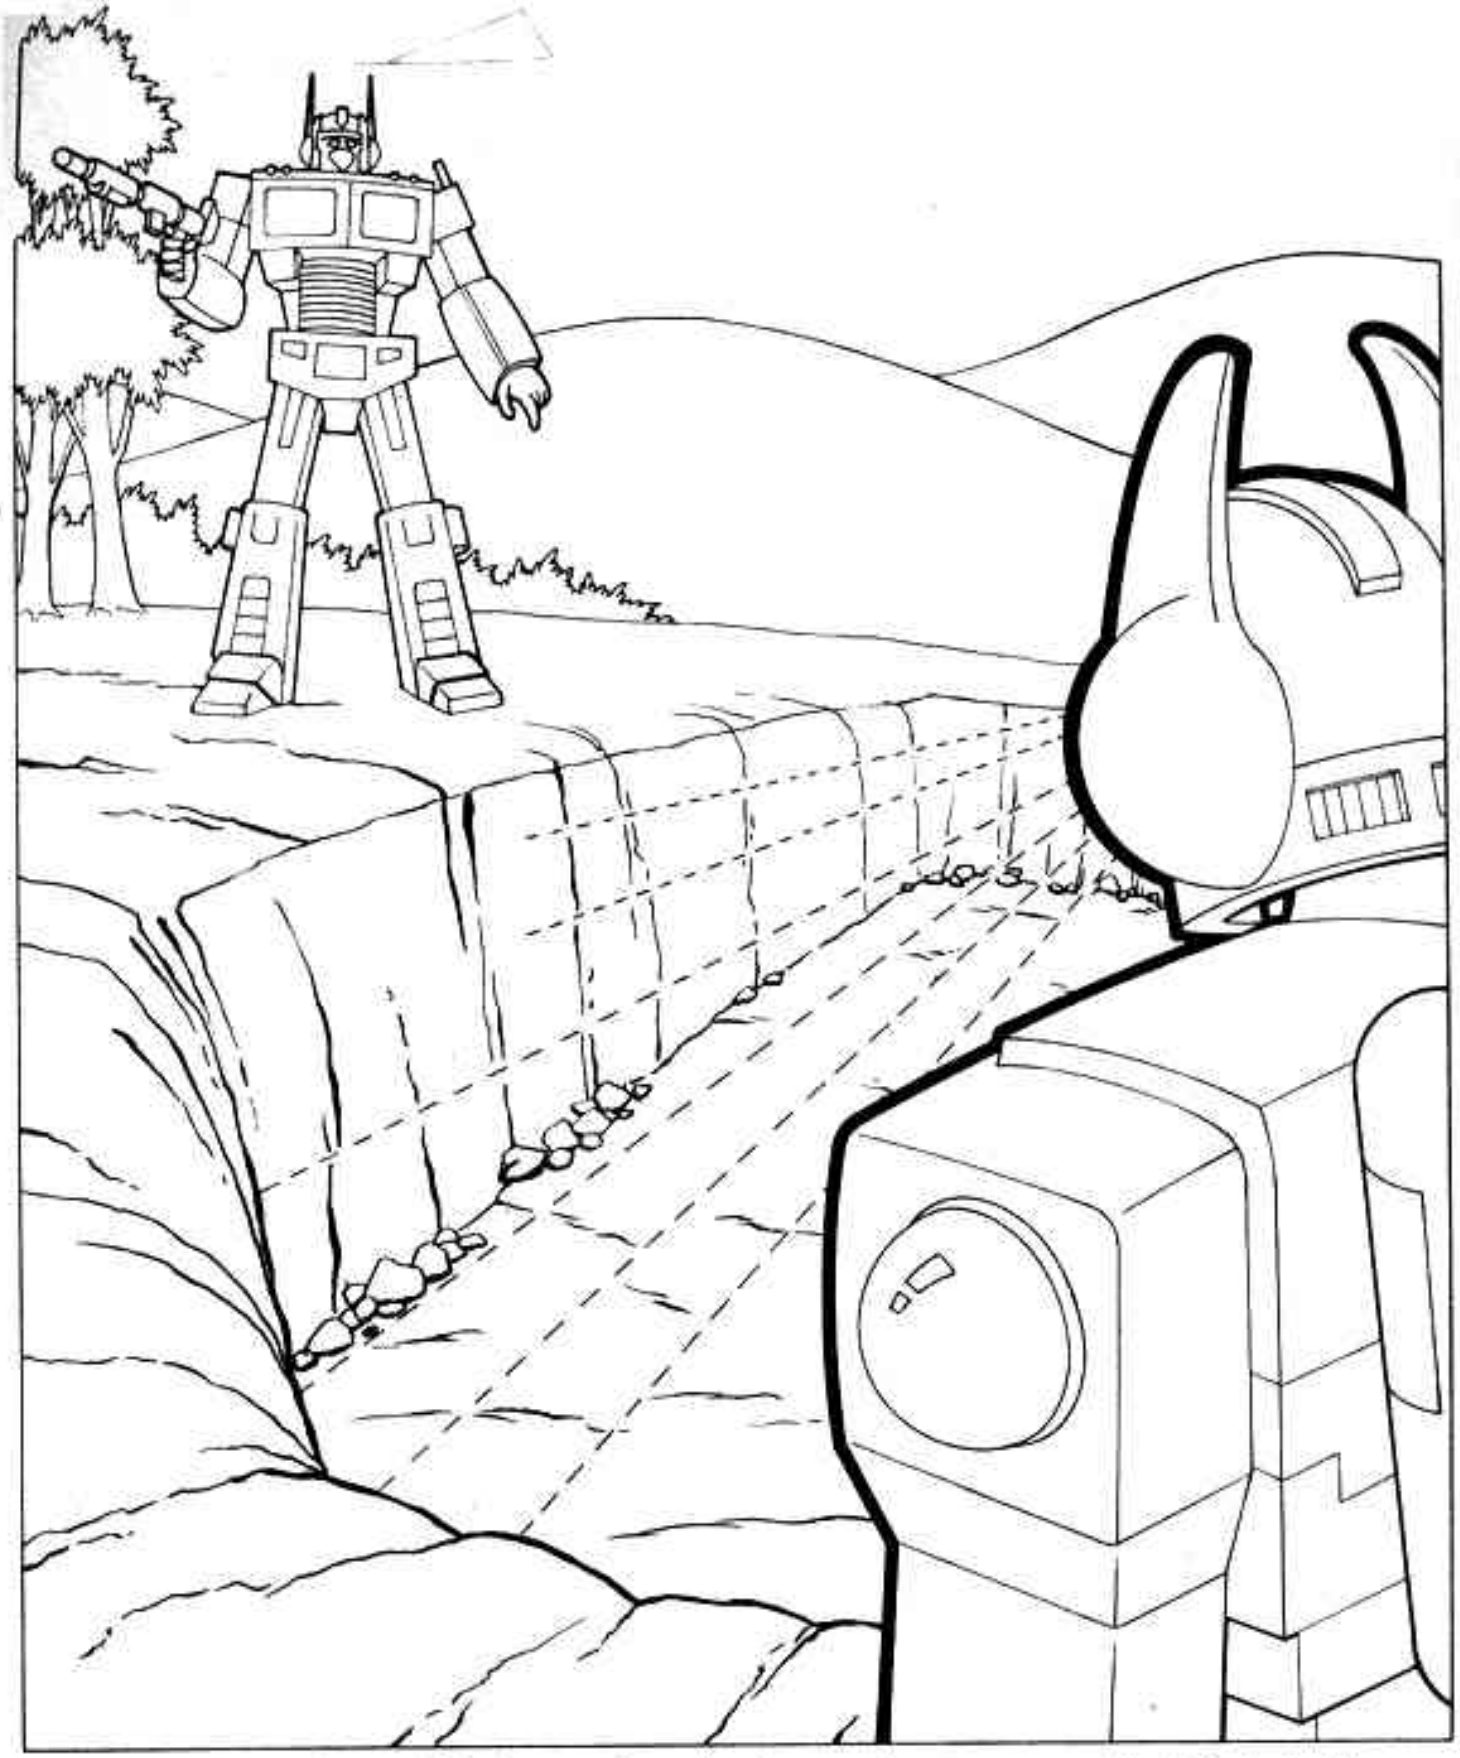
"Laserbeak thought an auto**mobile** factory was an Auto**bot** factory!" says Bumblebee. "We must tell Optimus Prime this!" says Mirage.

"Laserbeak's mistake gives me an idea!" says Optimus Prime. "We'll make a fake Autobot factory and trap the Decepticons!"

Optimus Prime tells Huffer to dig a big hole.

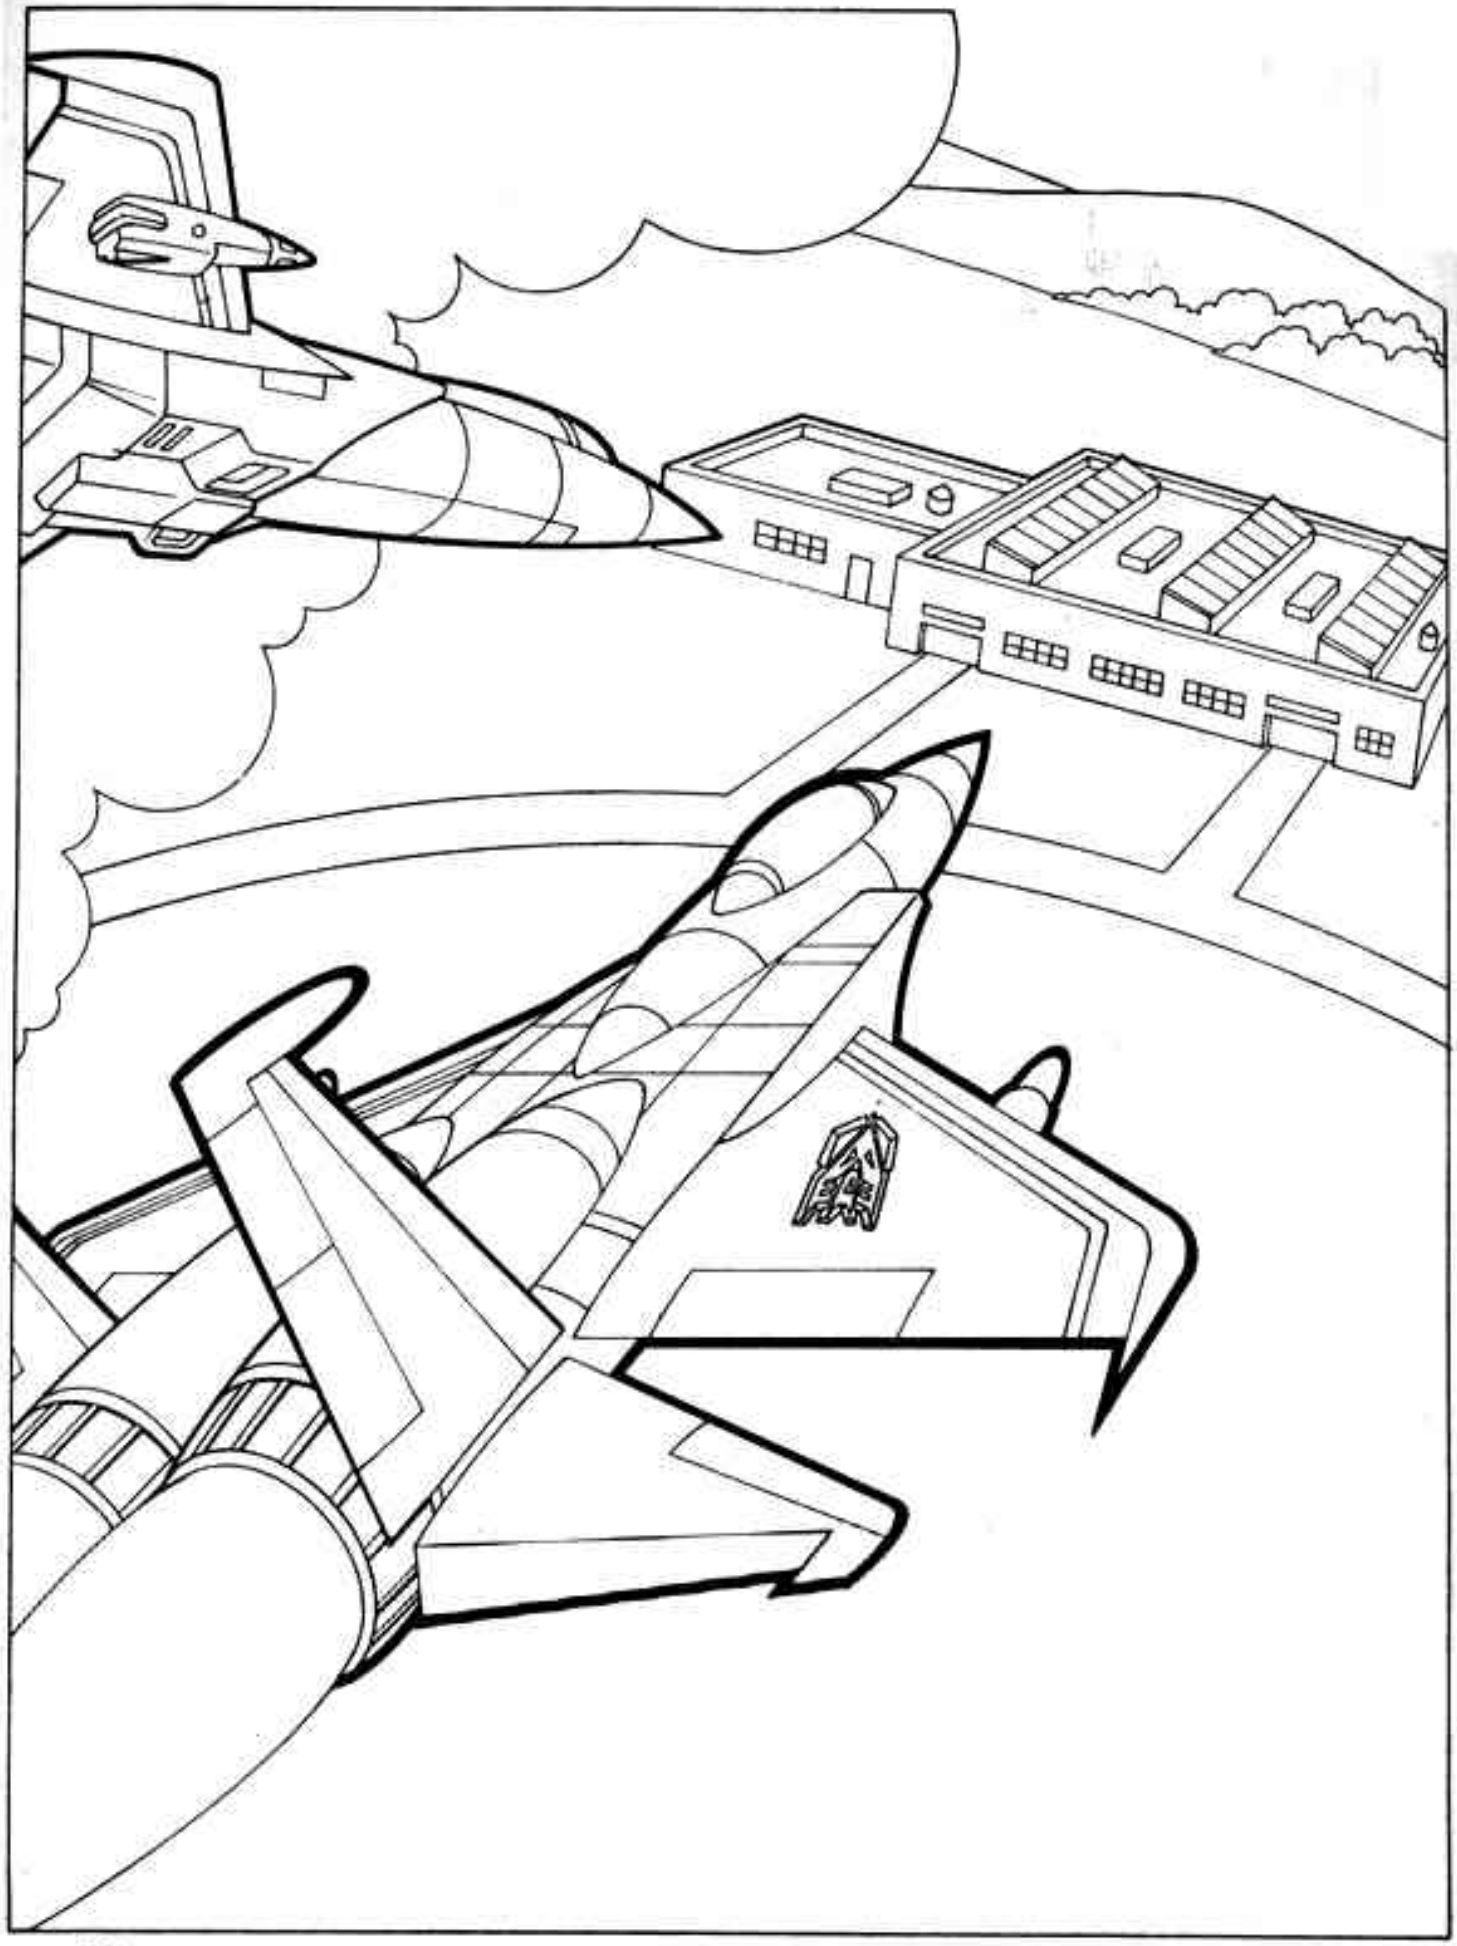


"Look out, everyone! shouts Bumblebee. "Here come the Decepticon jets!"

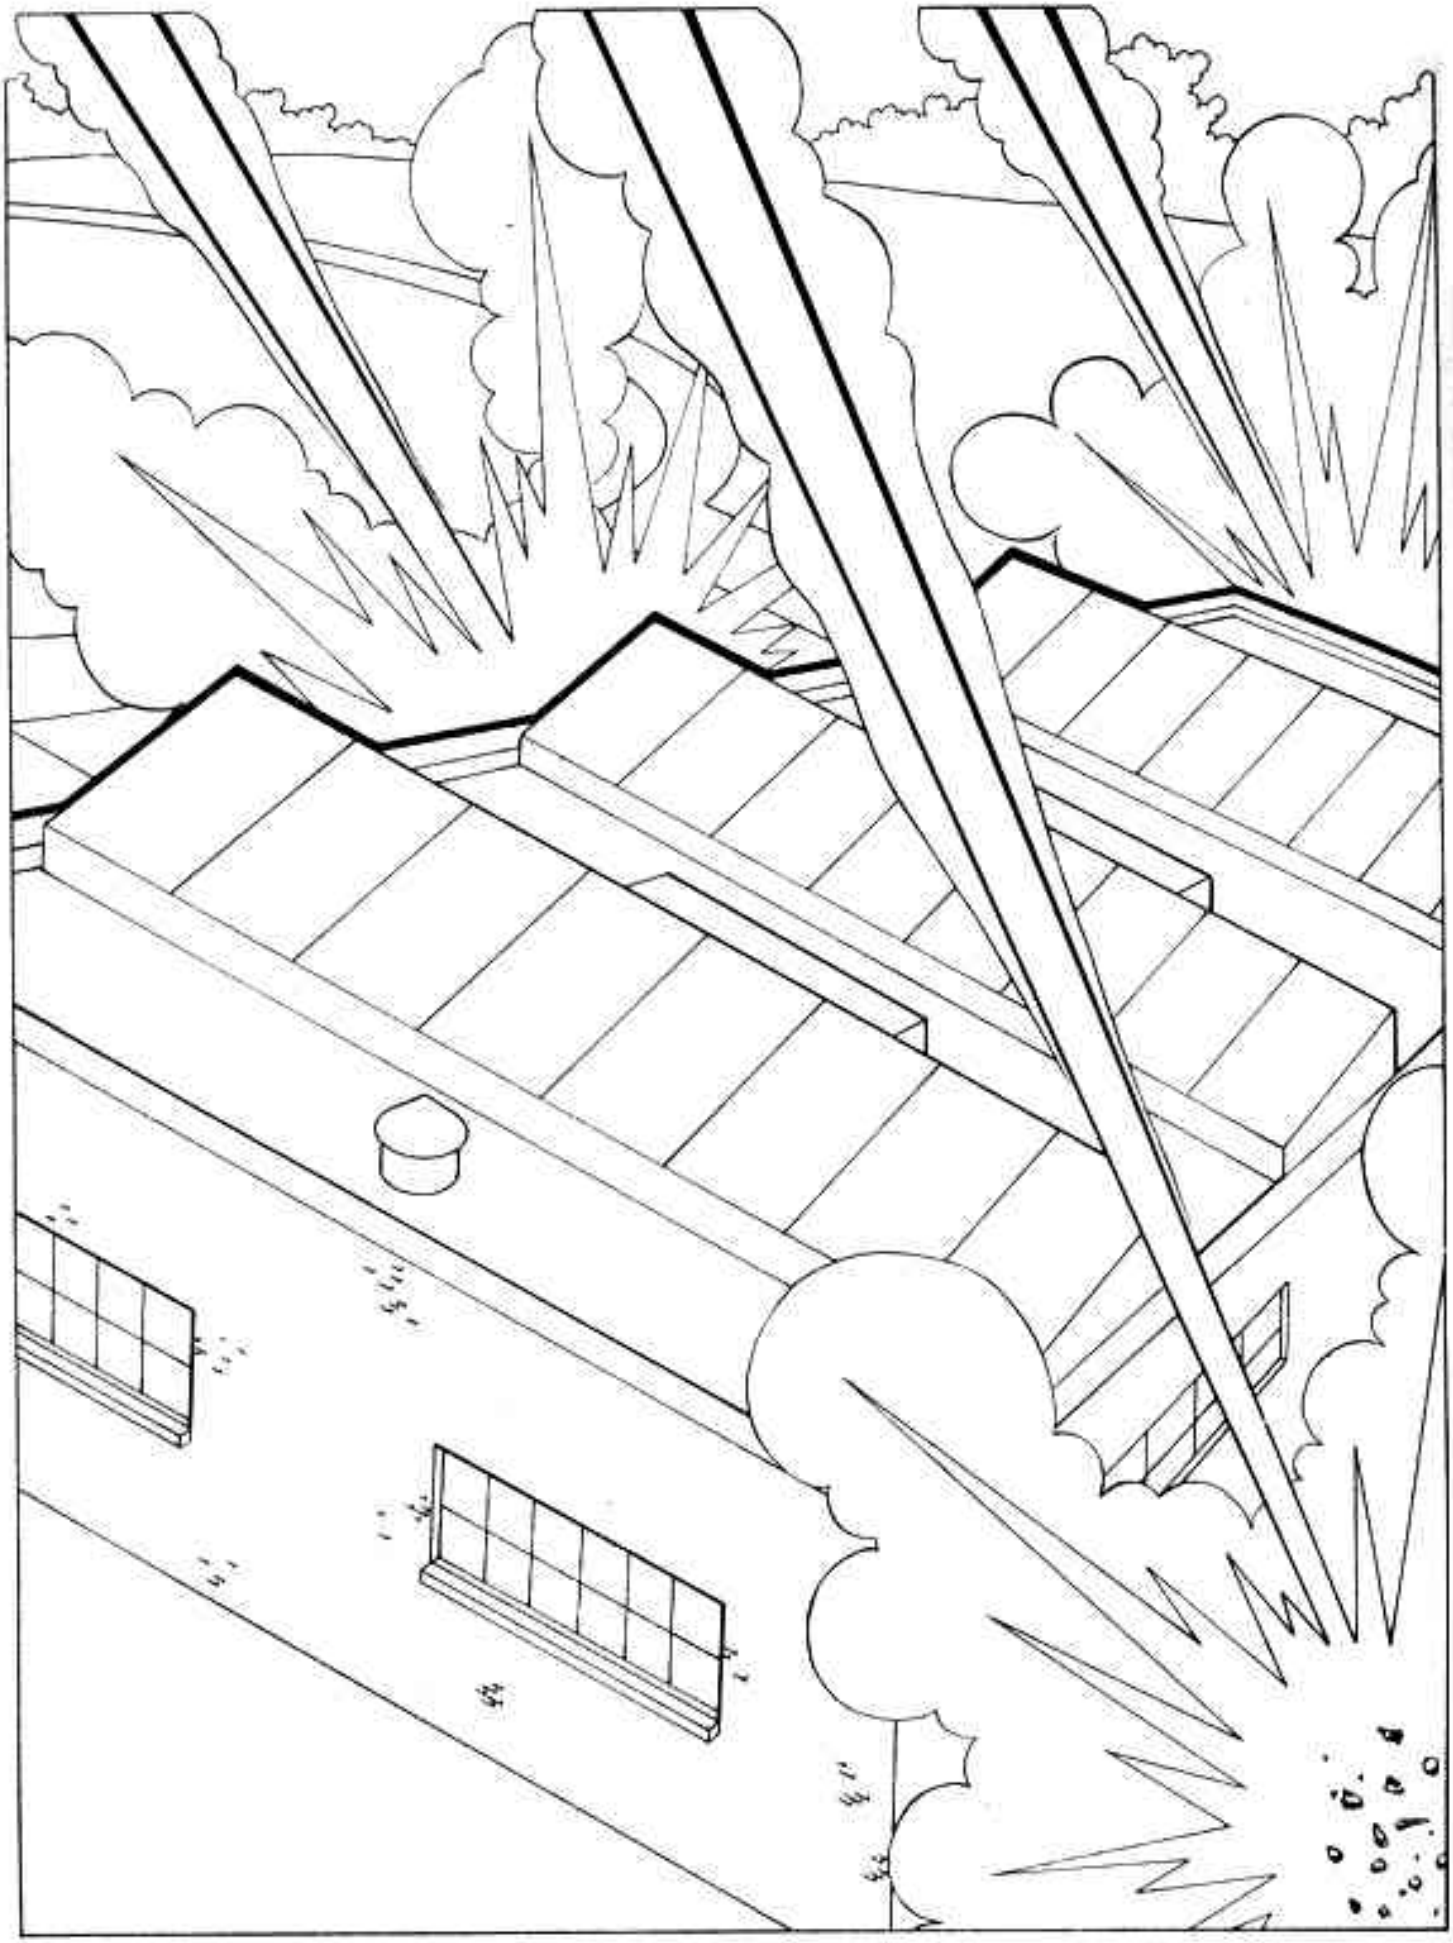


"Quick, Mirage! Make a mirage* of a car factory over that big hole!" says Optimus Prime.

*A mirage is something that looks real, but isn't.

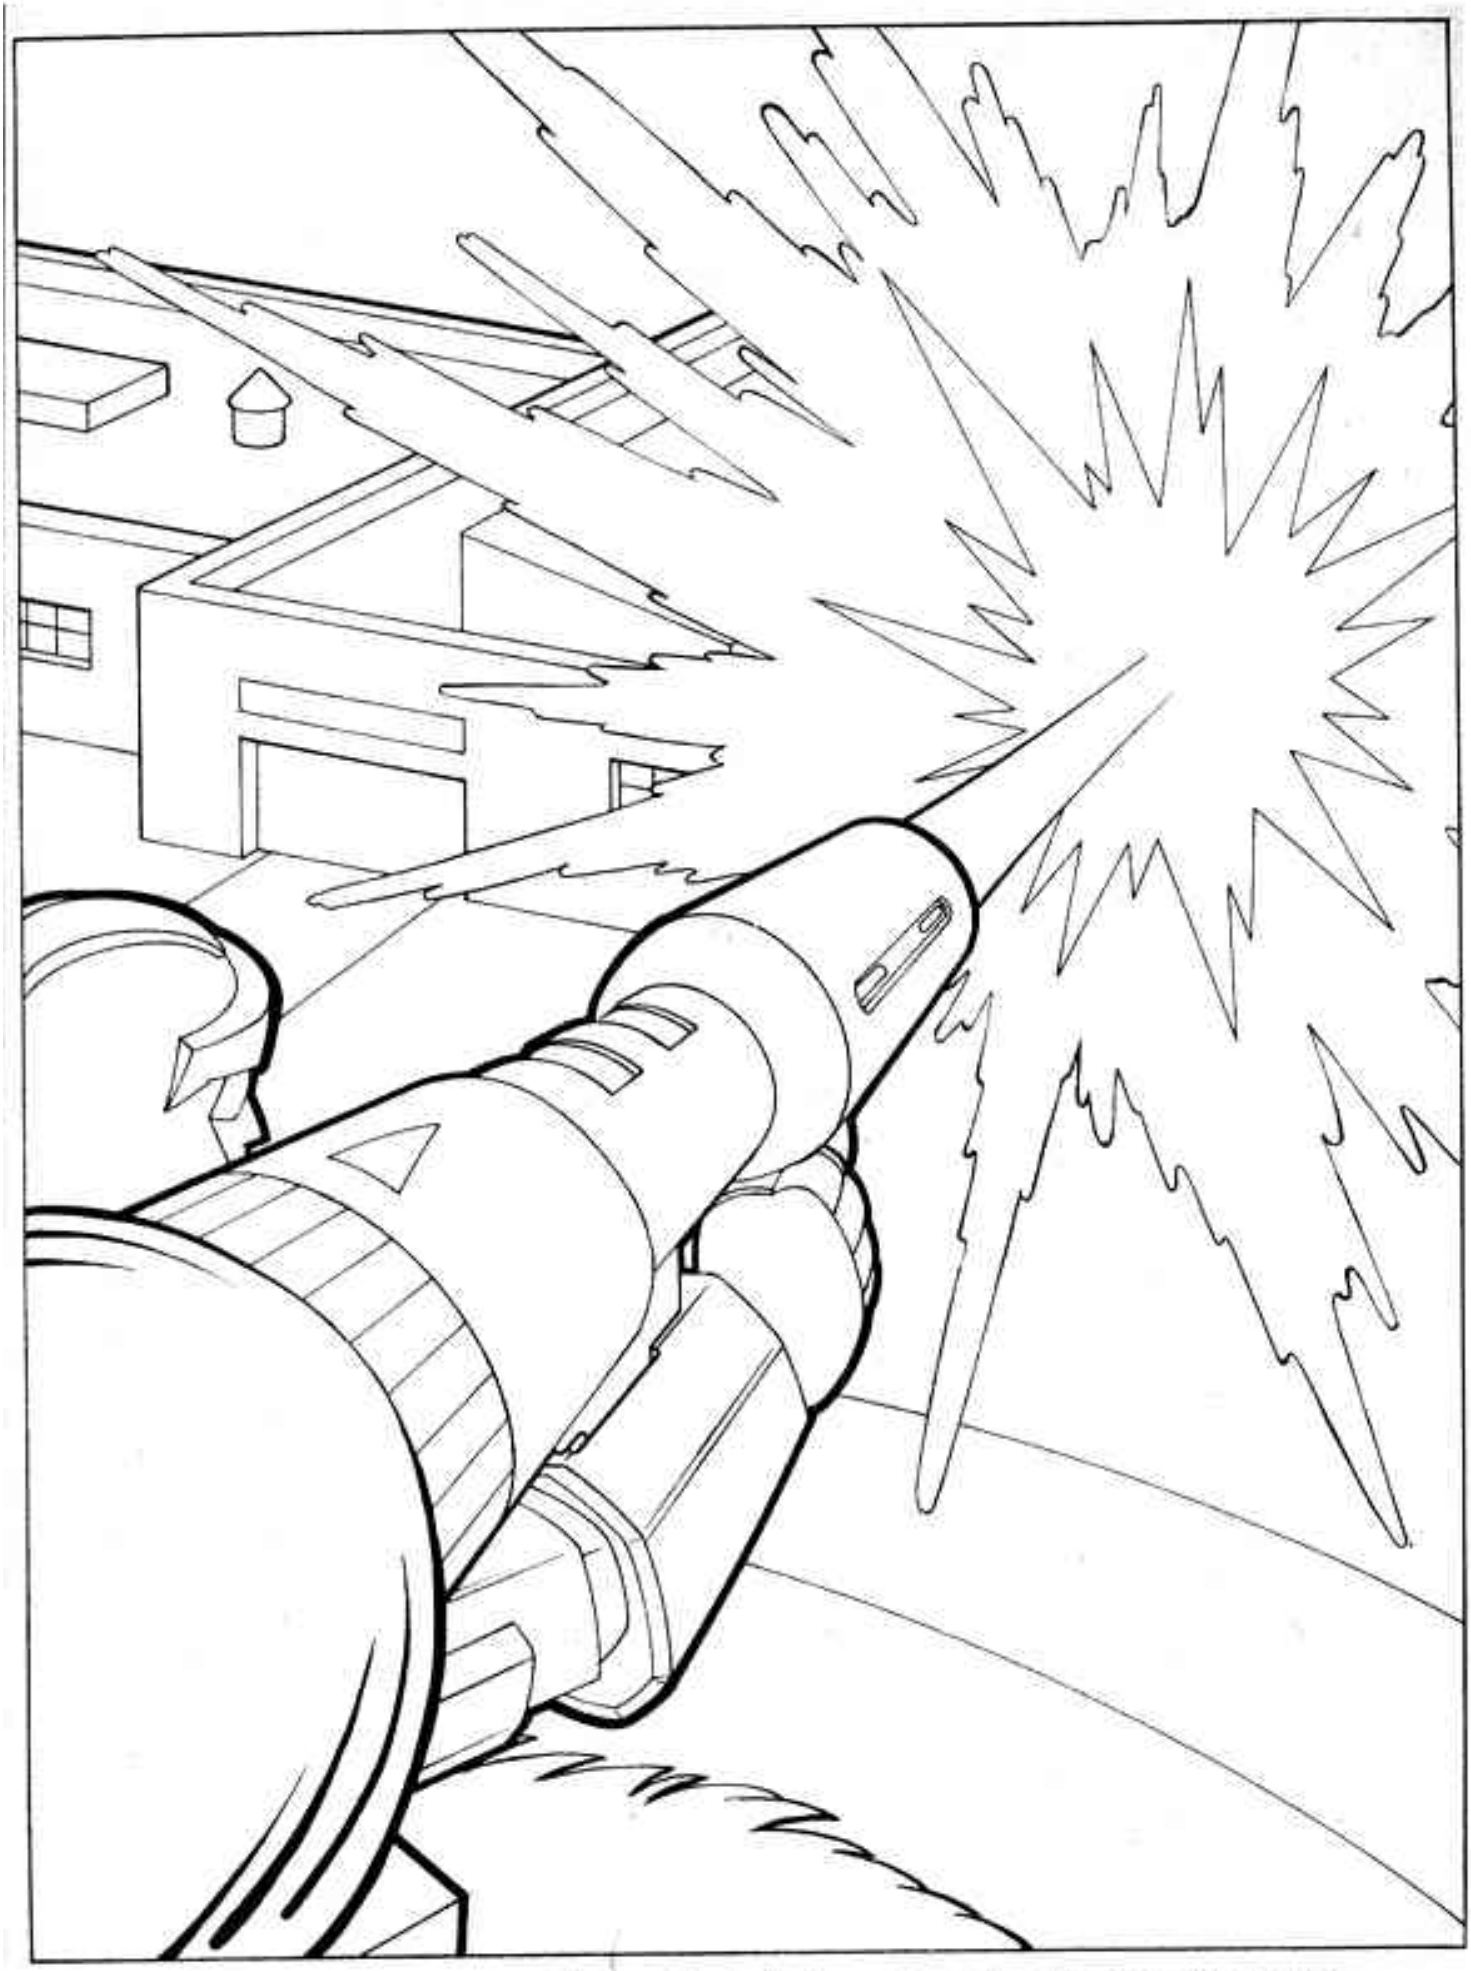


"Megatron told us to blast this Autobot factory to bits!" says Starscream.



"That will finish that factory for good!"

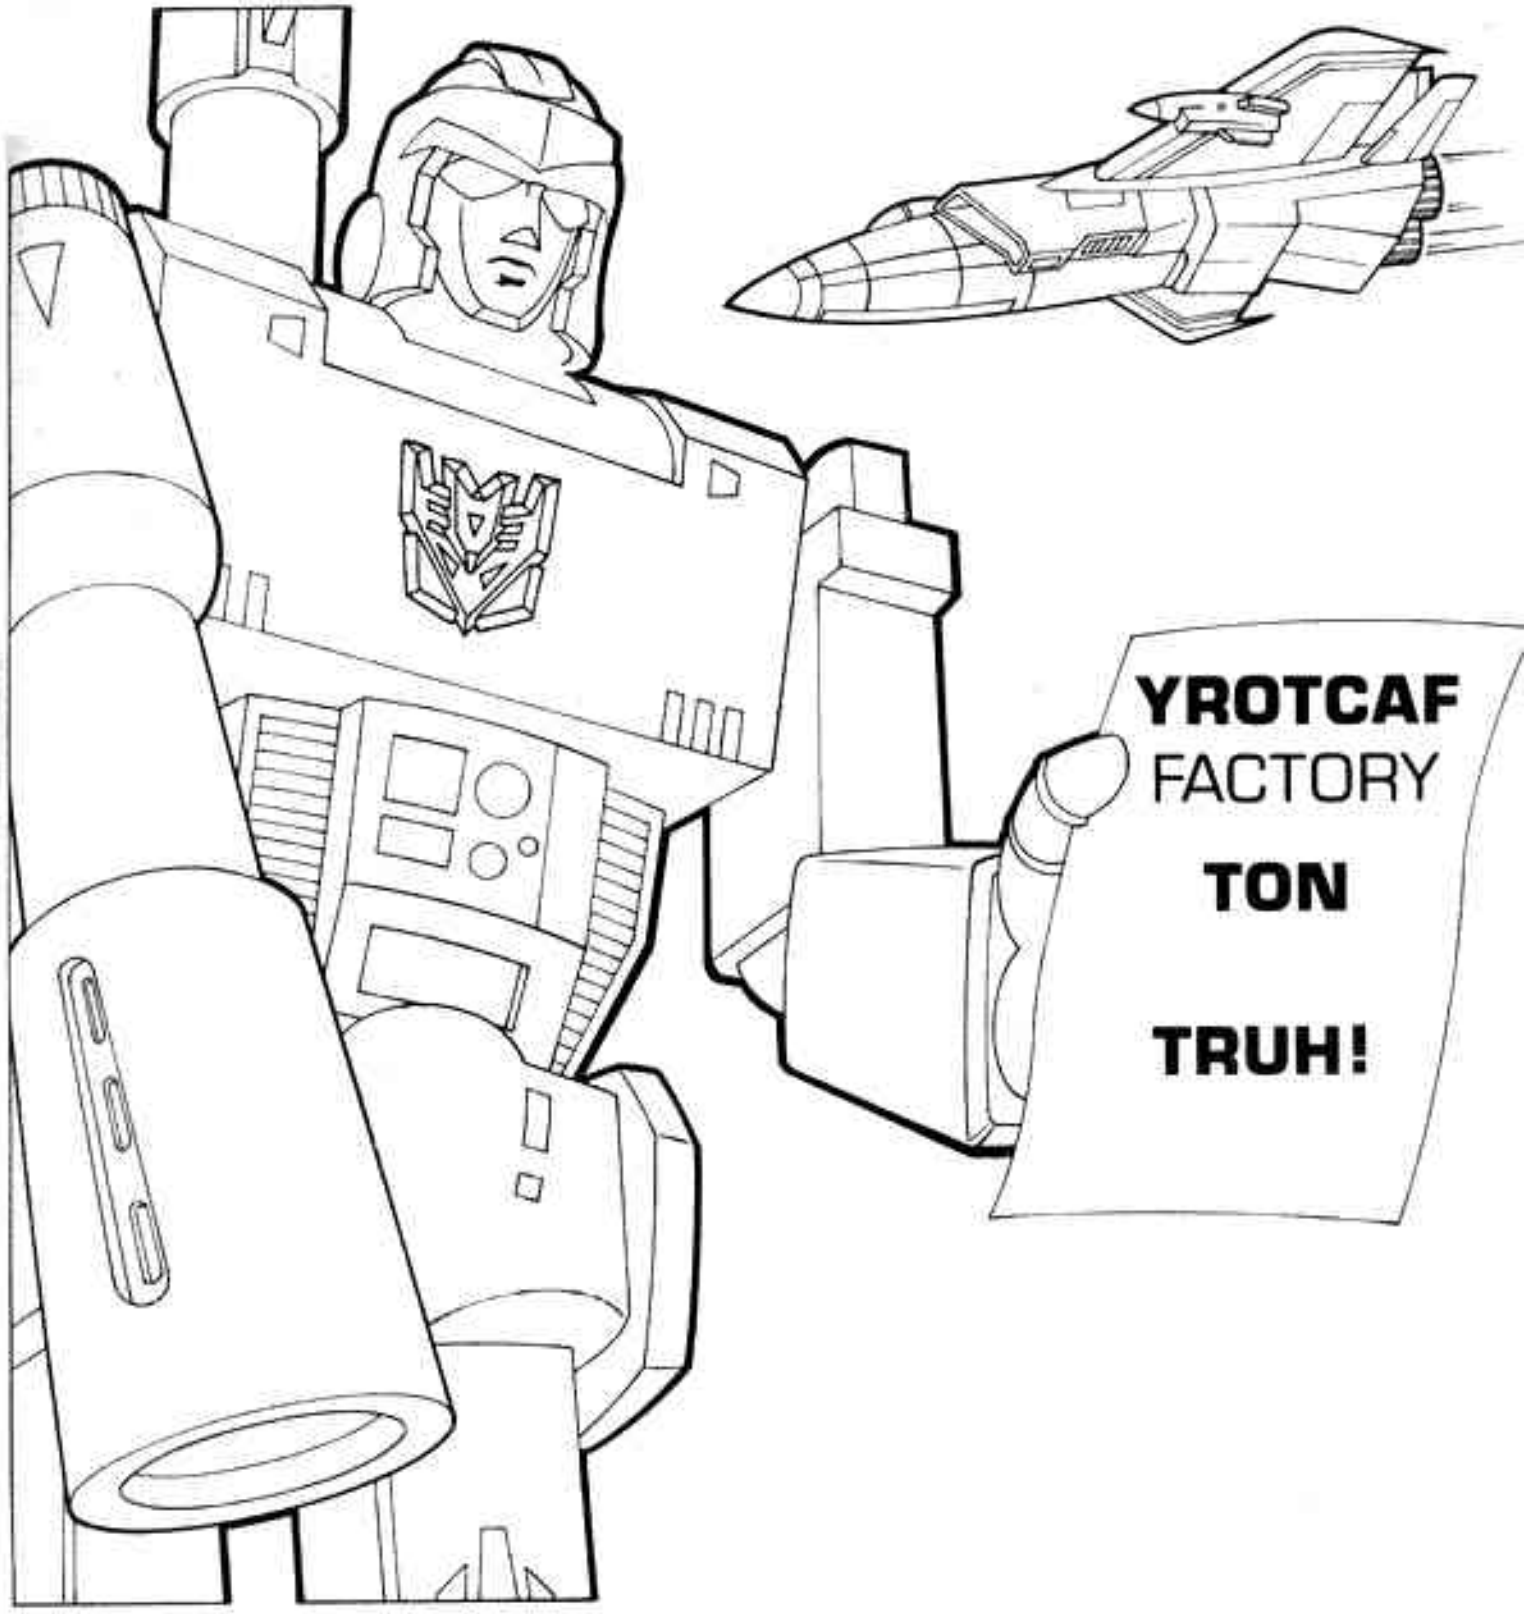
"The factory is still standing!" shouts Megatron.



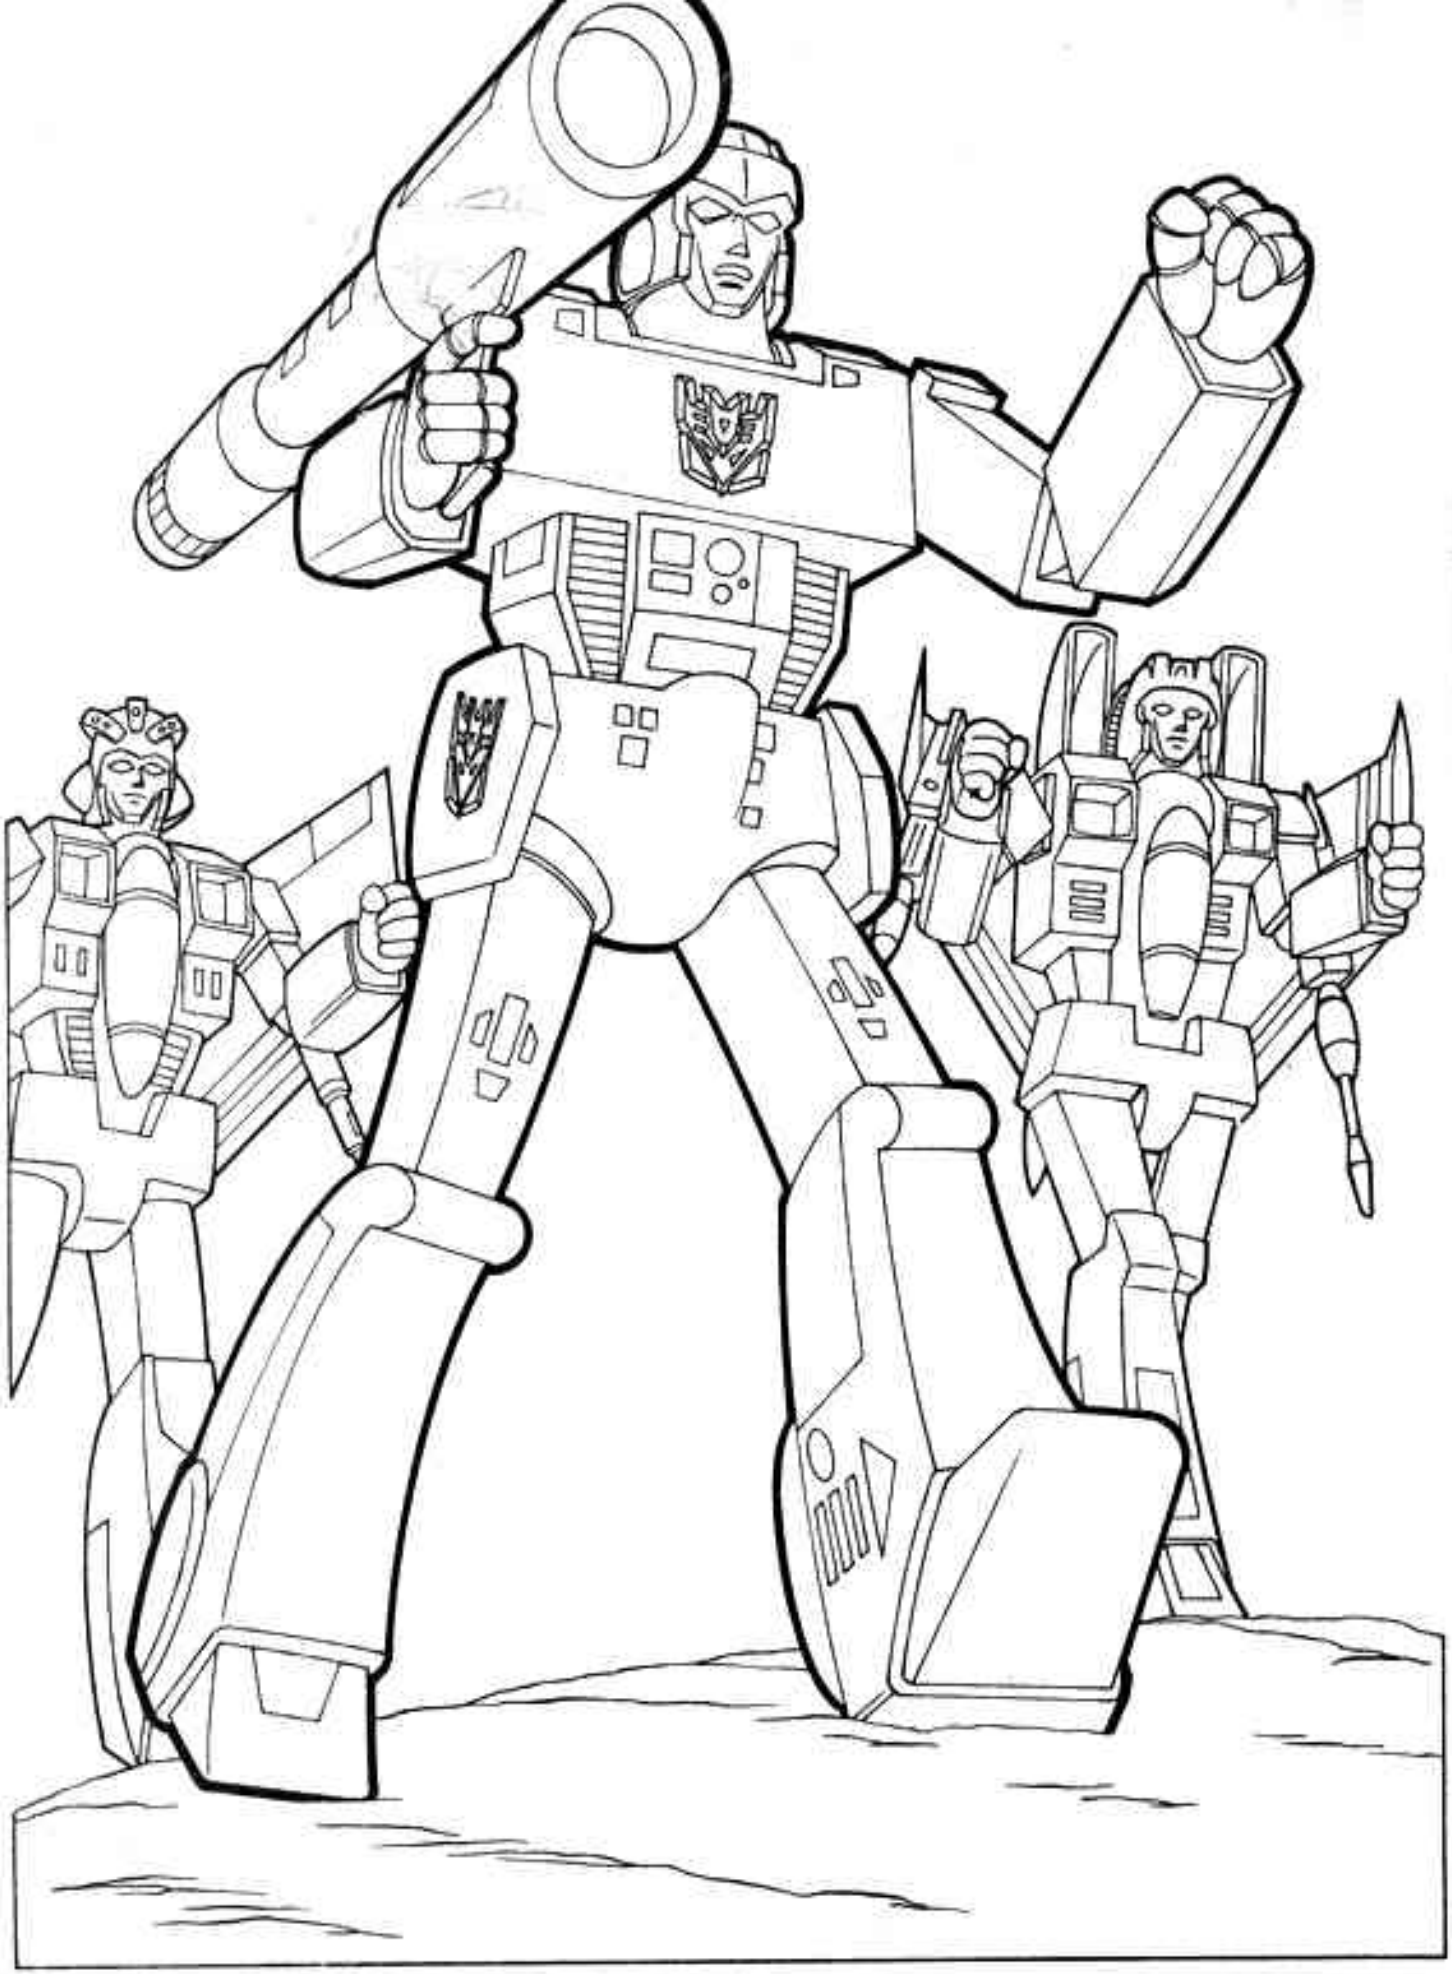
"My energy cannon will turn that factory to ashes!" says Megatron.

STARSCREAM'S SECRET MESSAGE

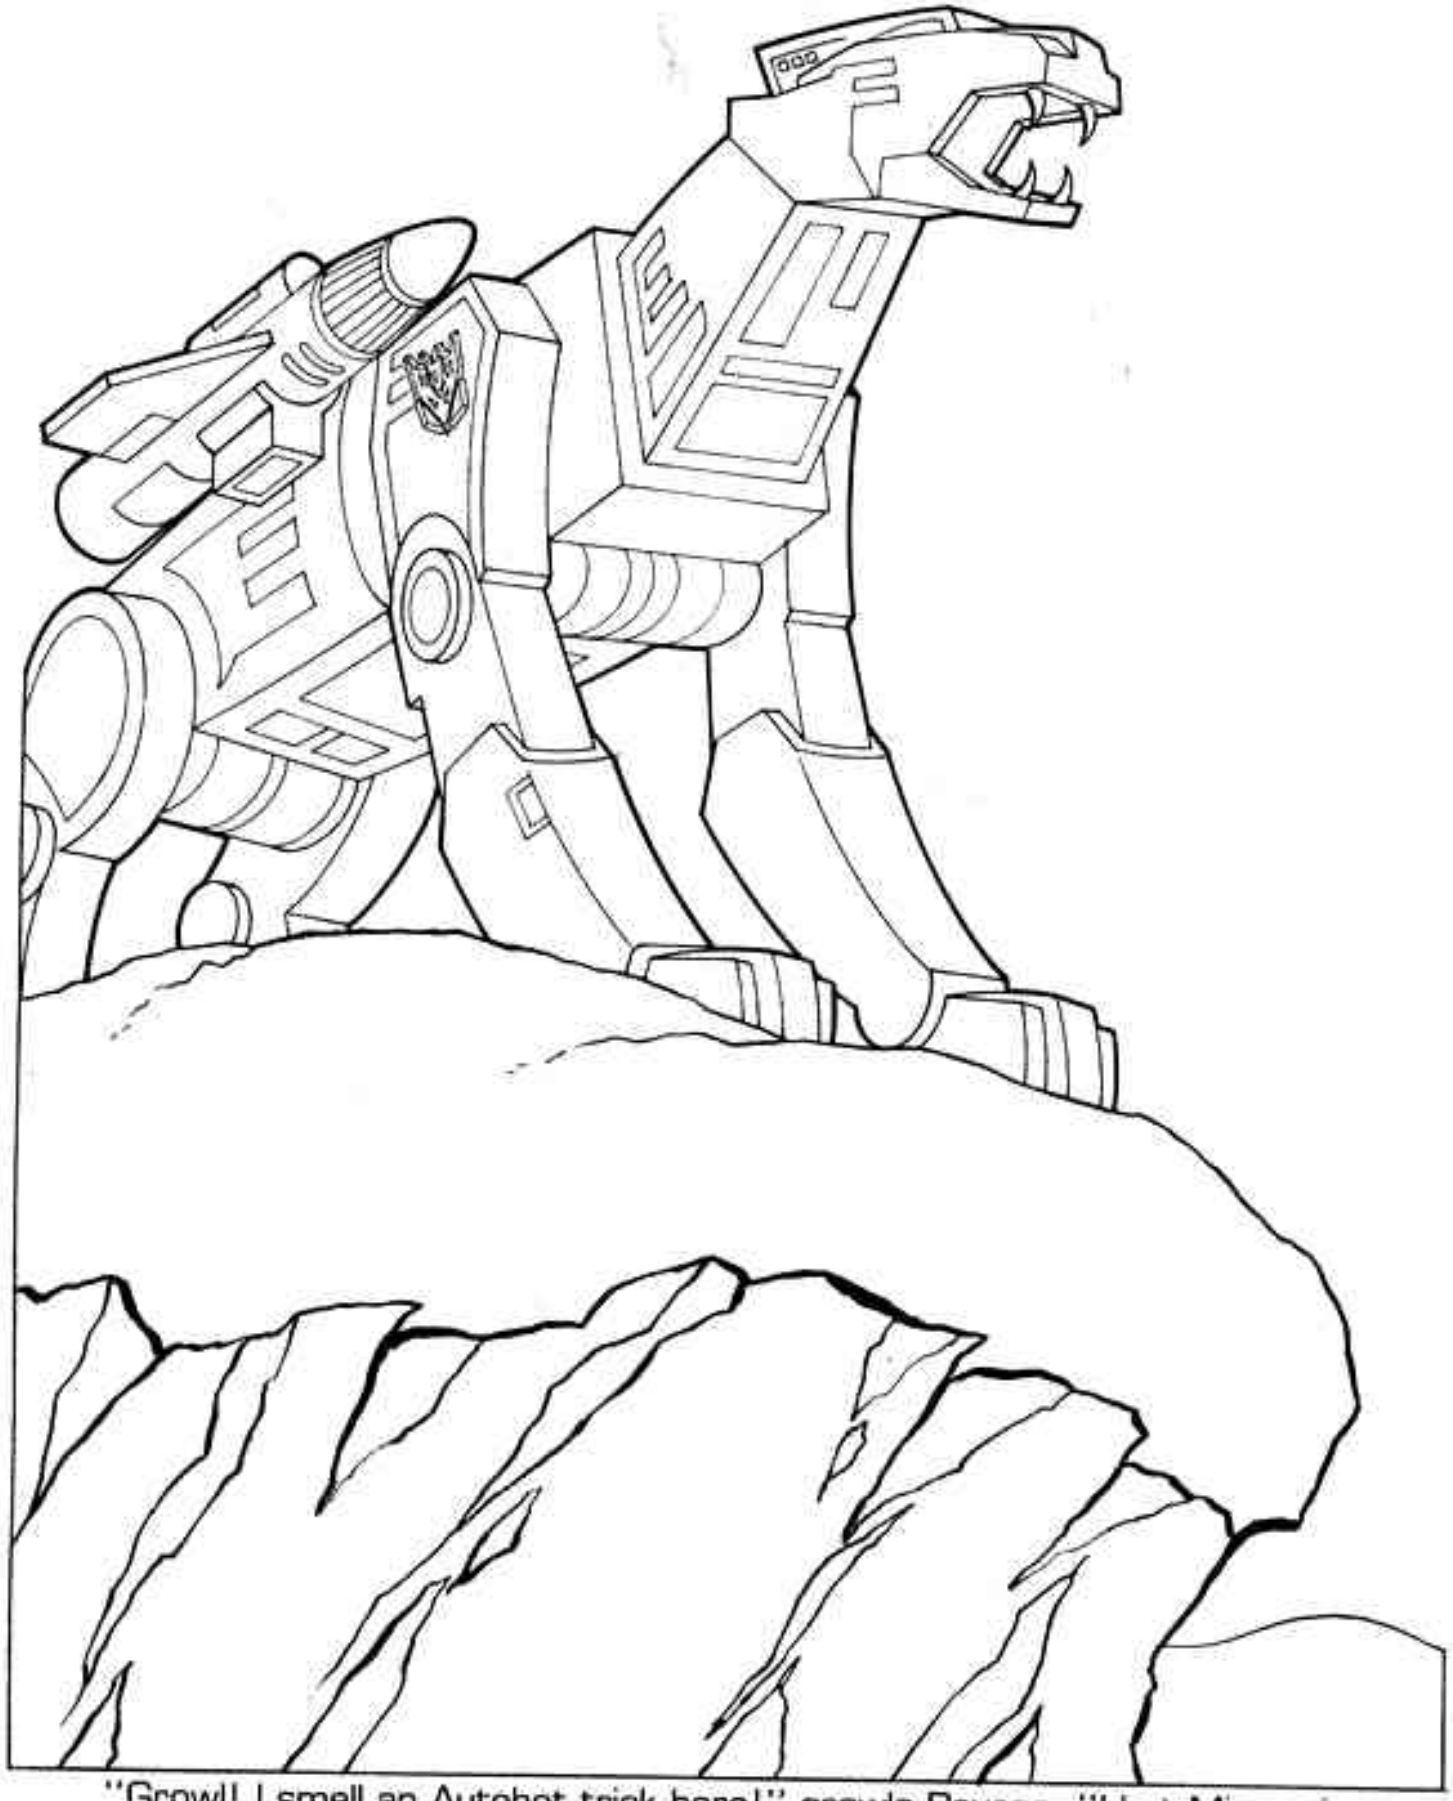
Starscream has sent Megatron a secret message. Megatron has de-coded the first word. Can you finish the rest of the message? Write it in the space at the bottom!



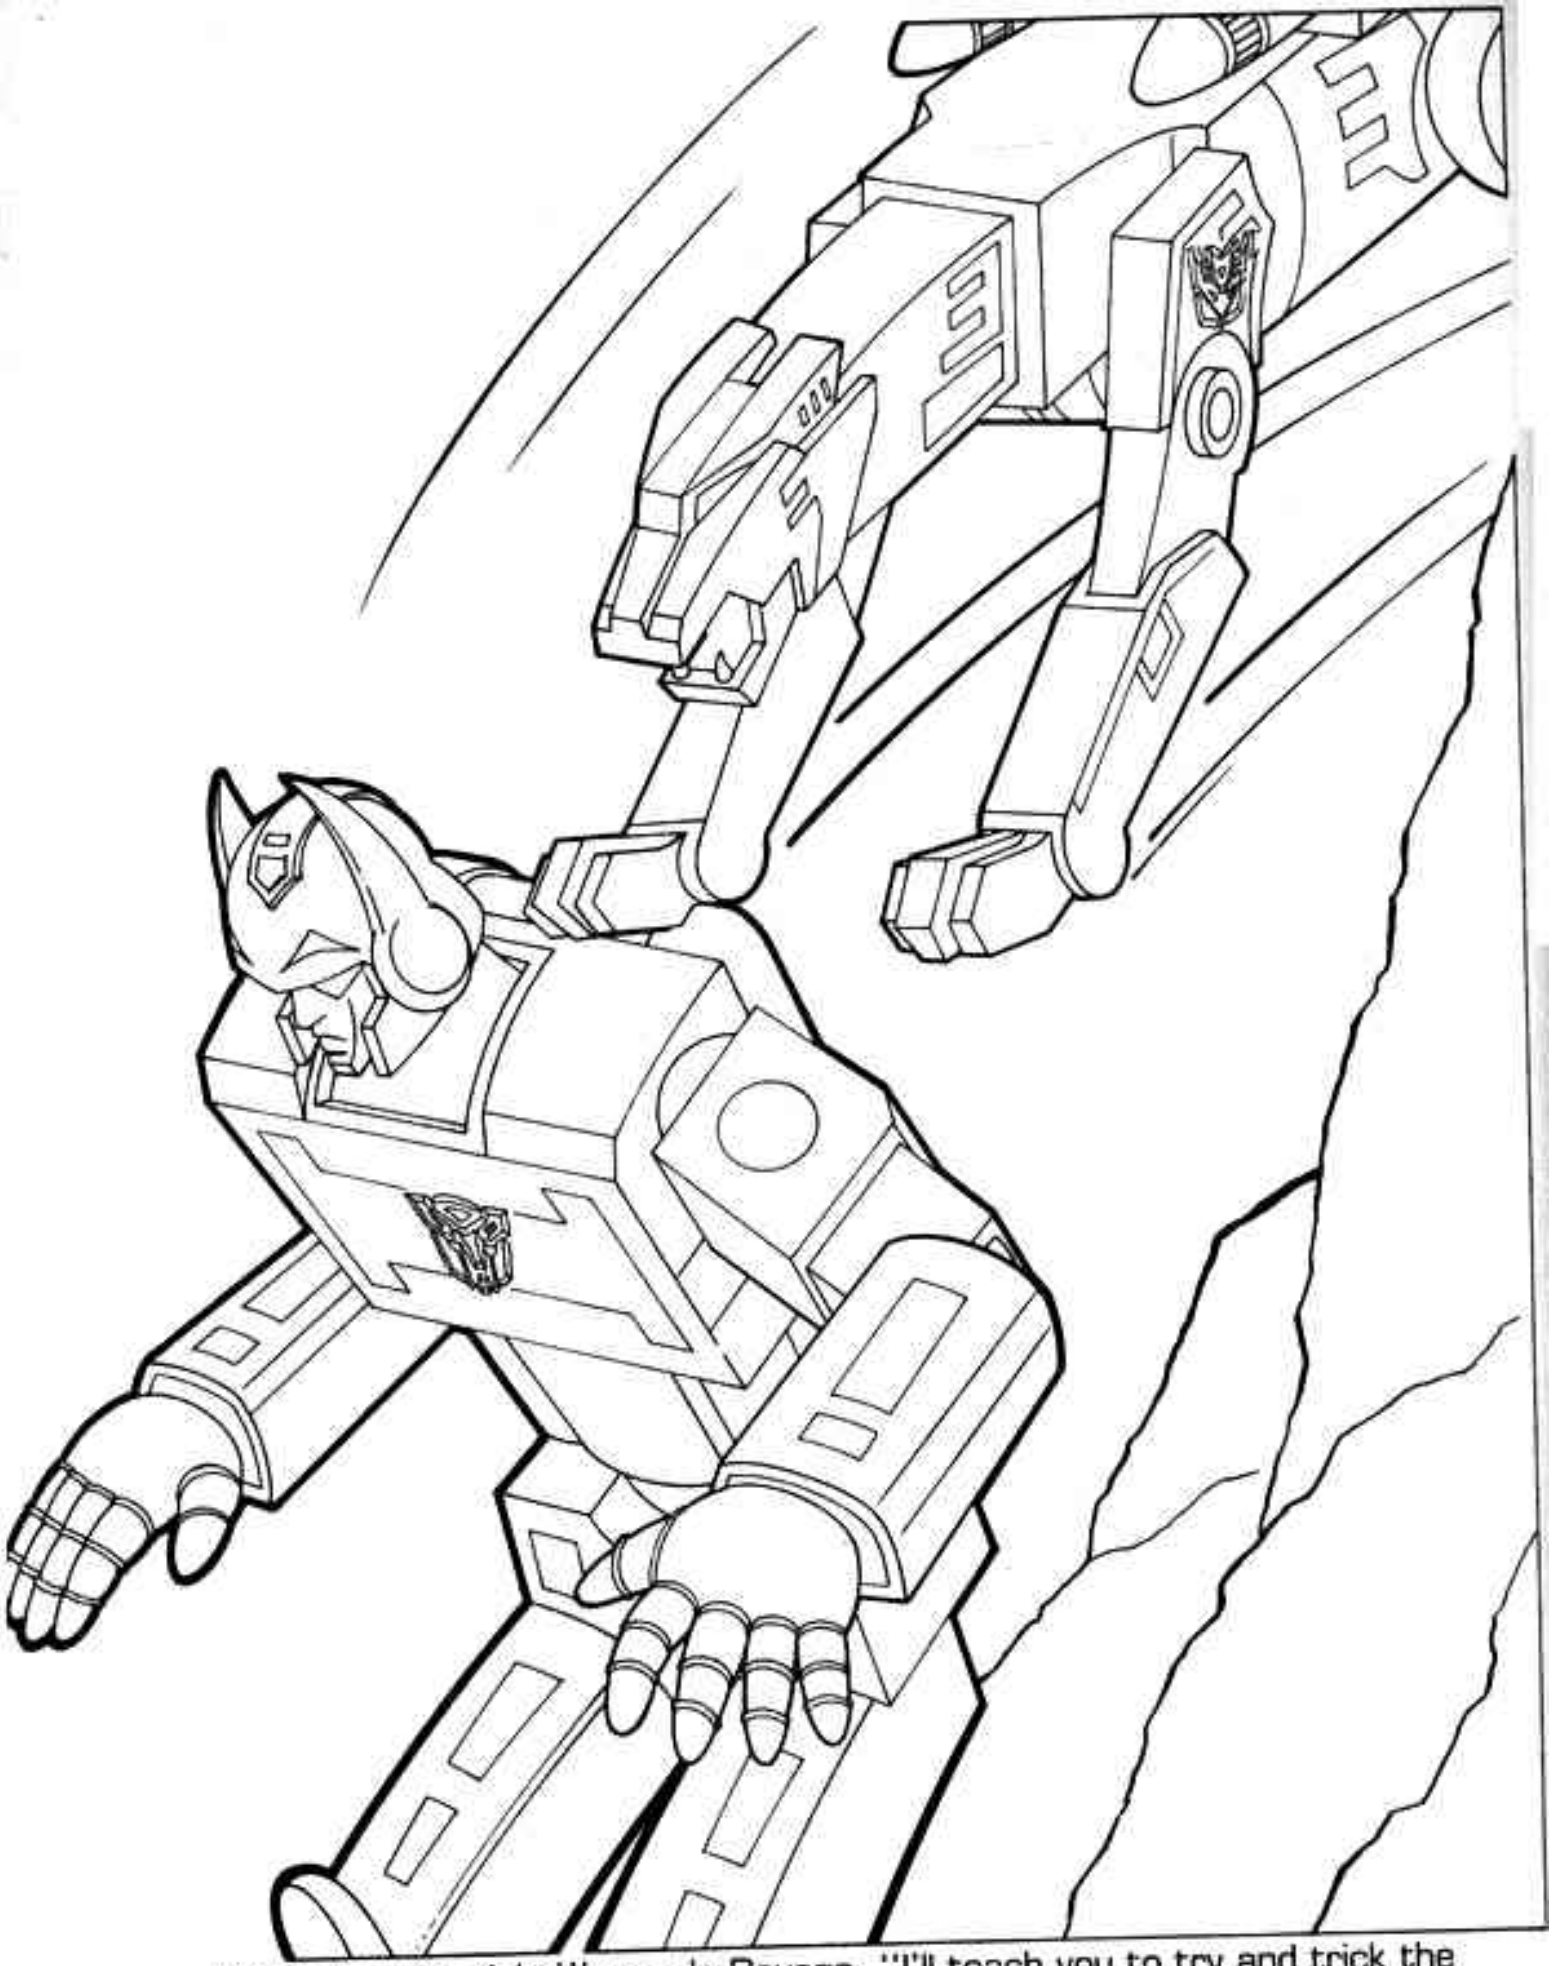
FACTORY NOT HURT!



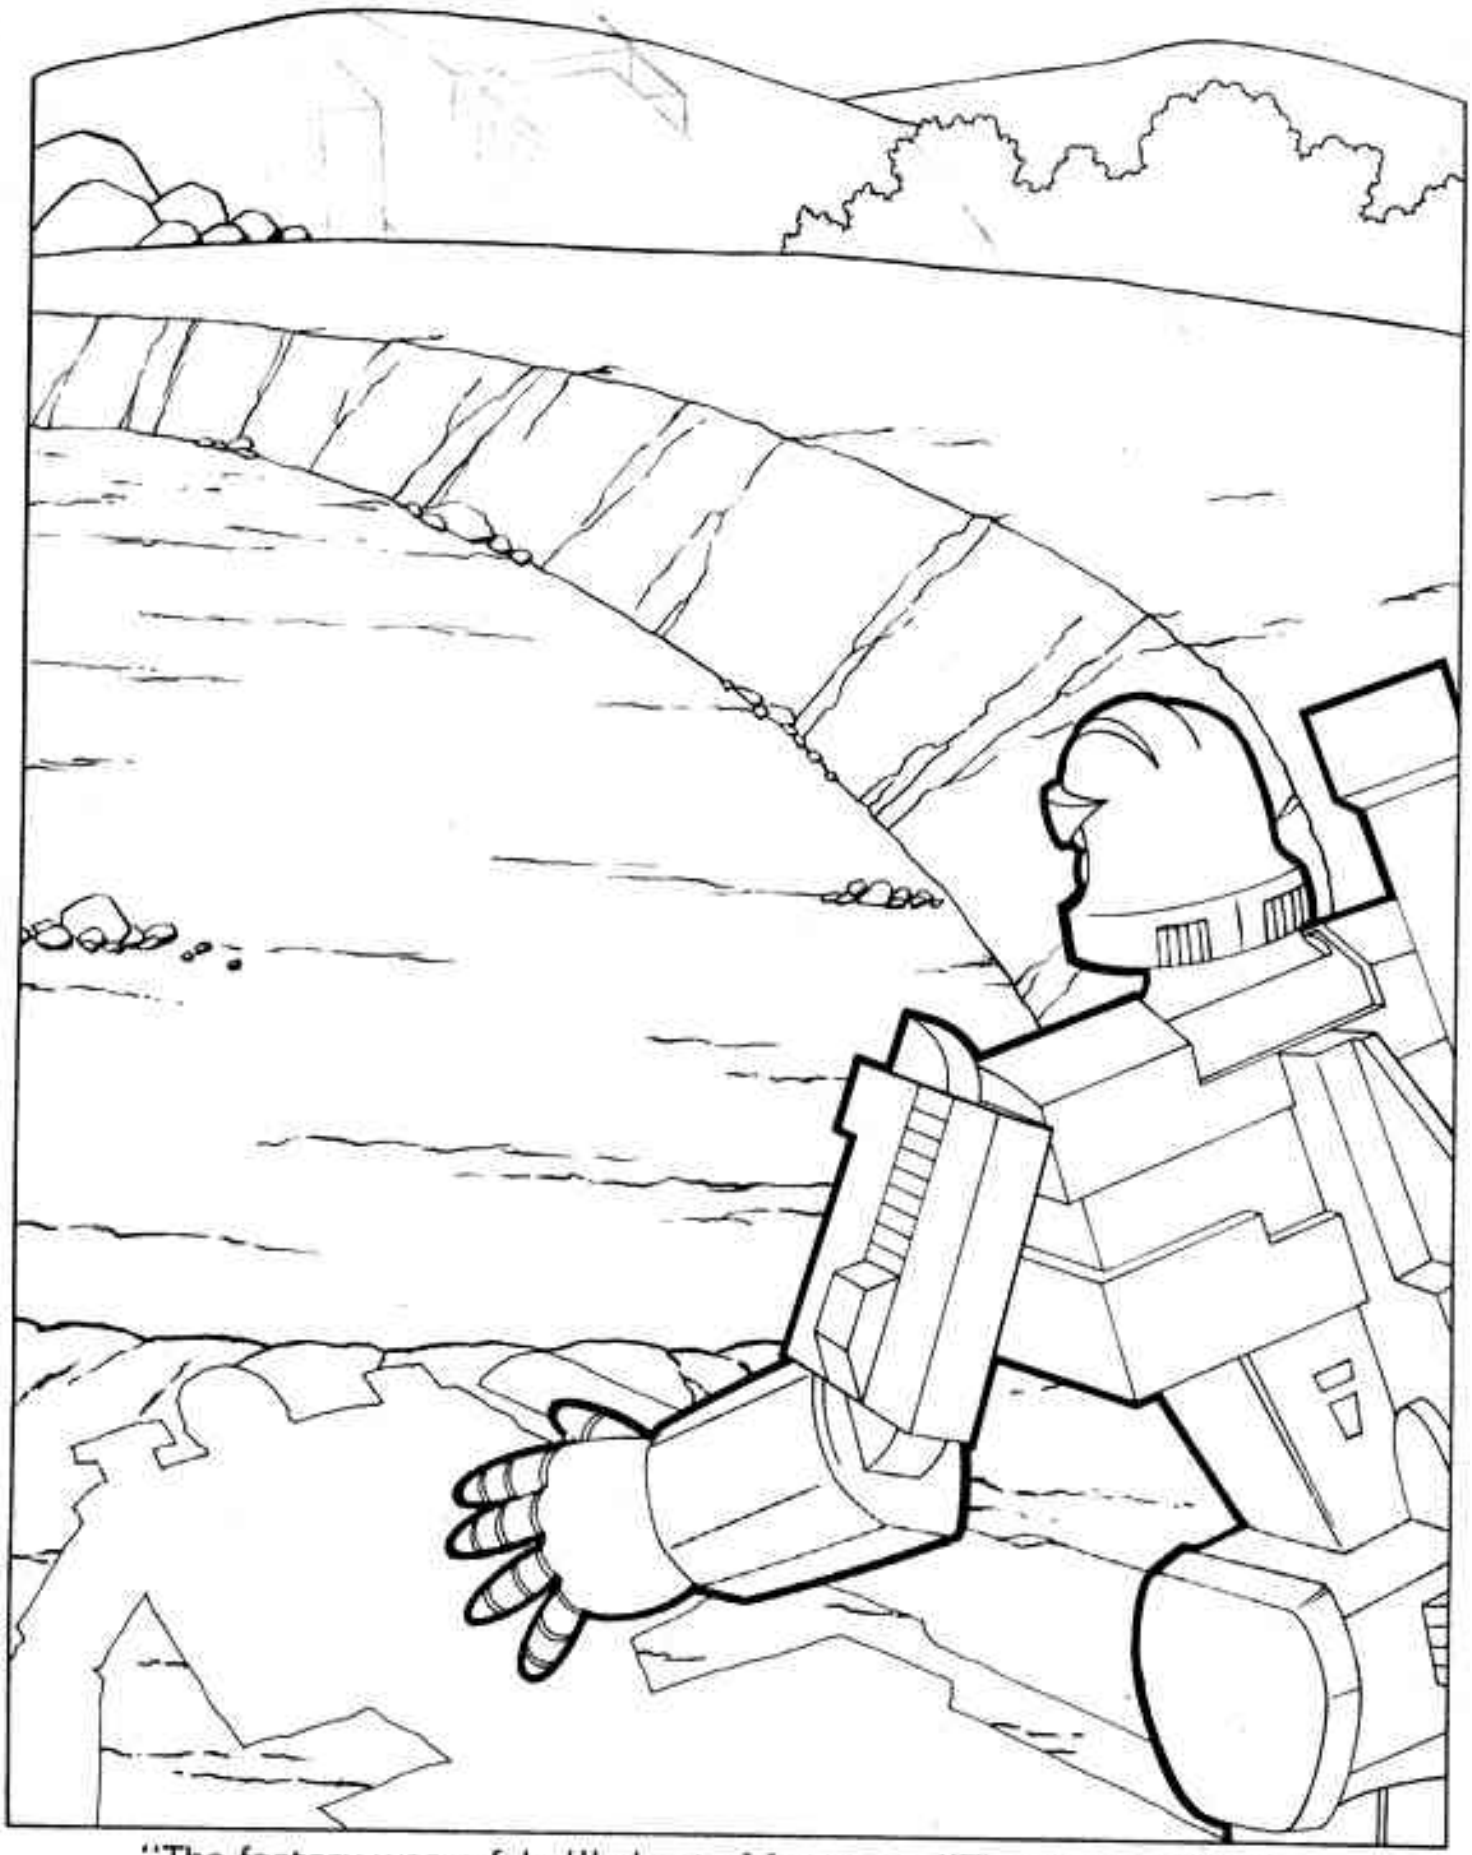
"We'll wreck that factory with our bare hands!" shouts the super-angry Megatron. "Attack!"



"Growl! I smell an Autobot trick here!" growls Ravage. "I bet Mirage is behind this!"



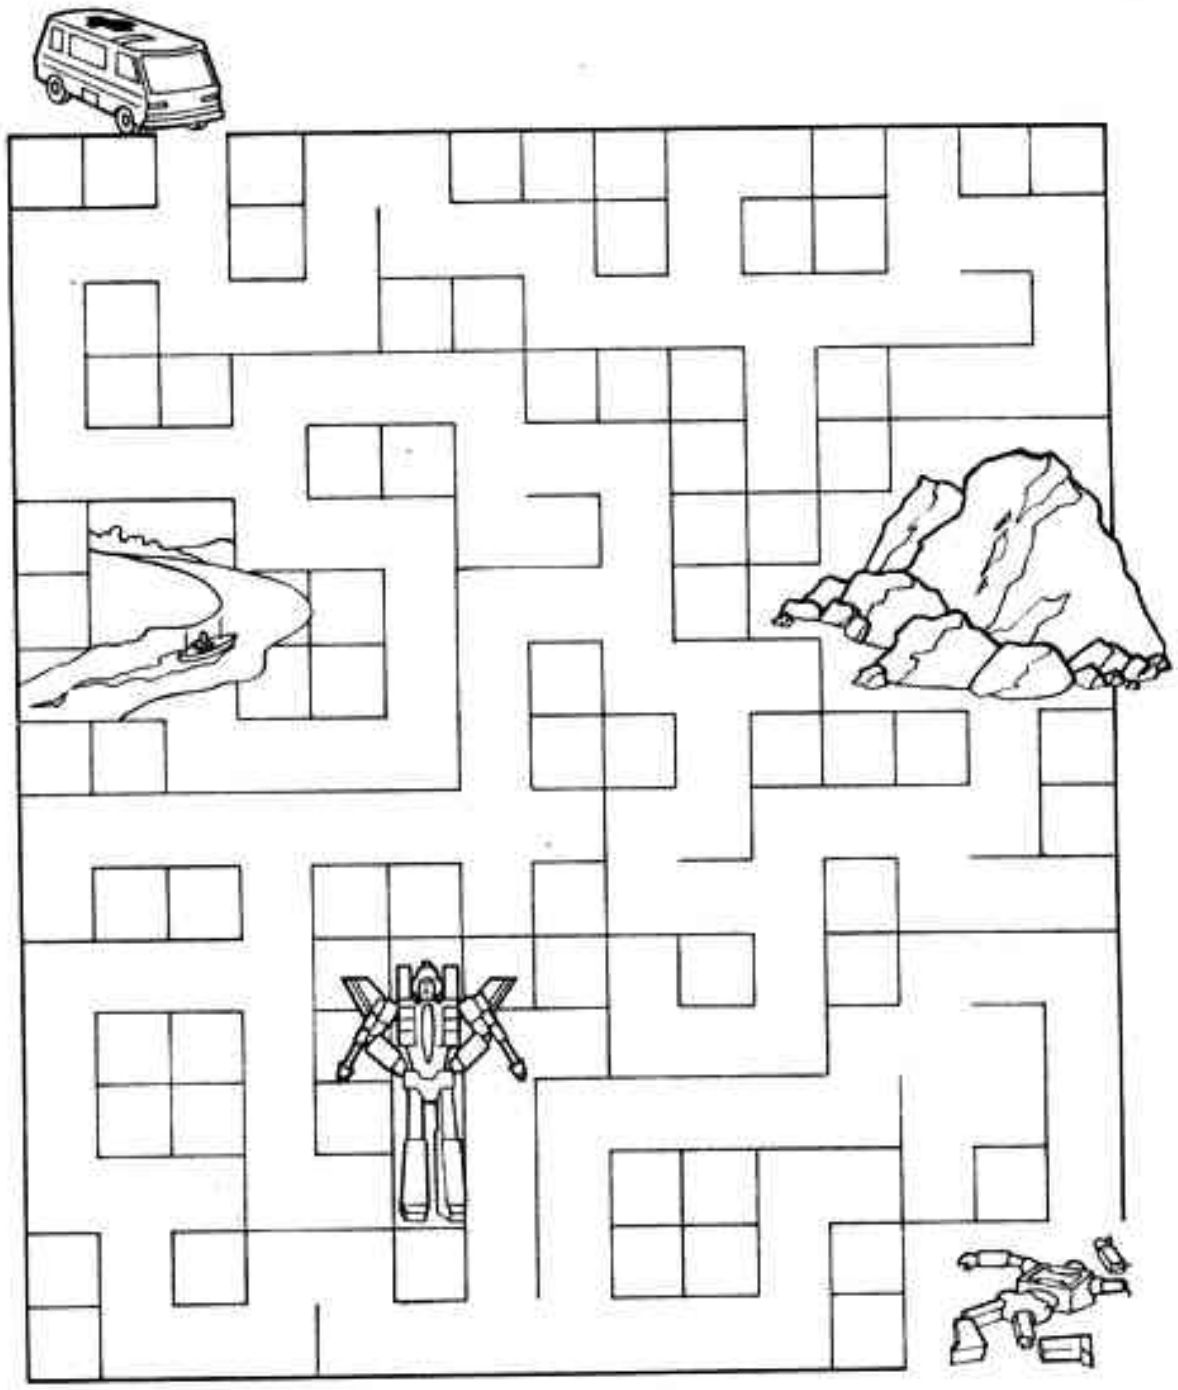
"Growl! I was right!" growls Ravage. "I'll teach you to try and trick the Decepticons, Mirage!"

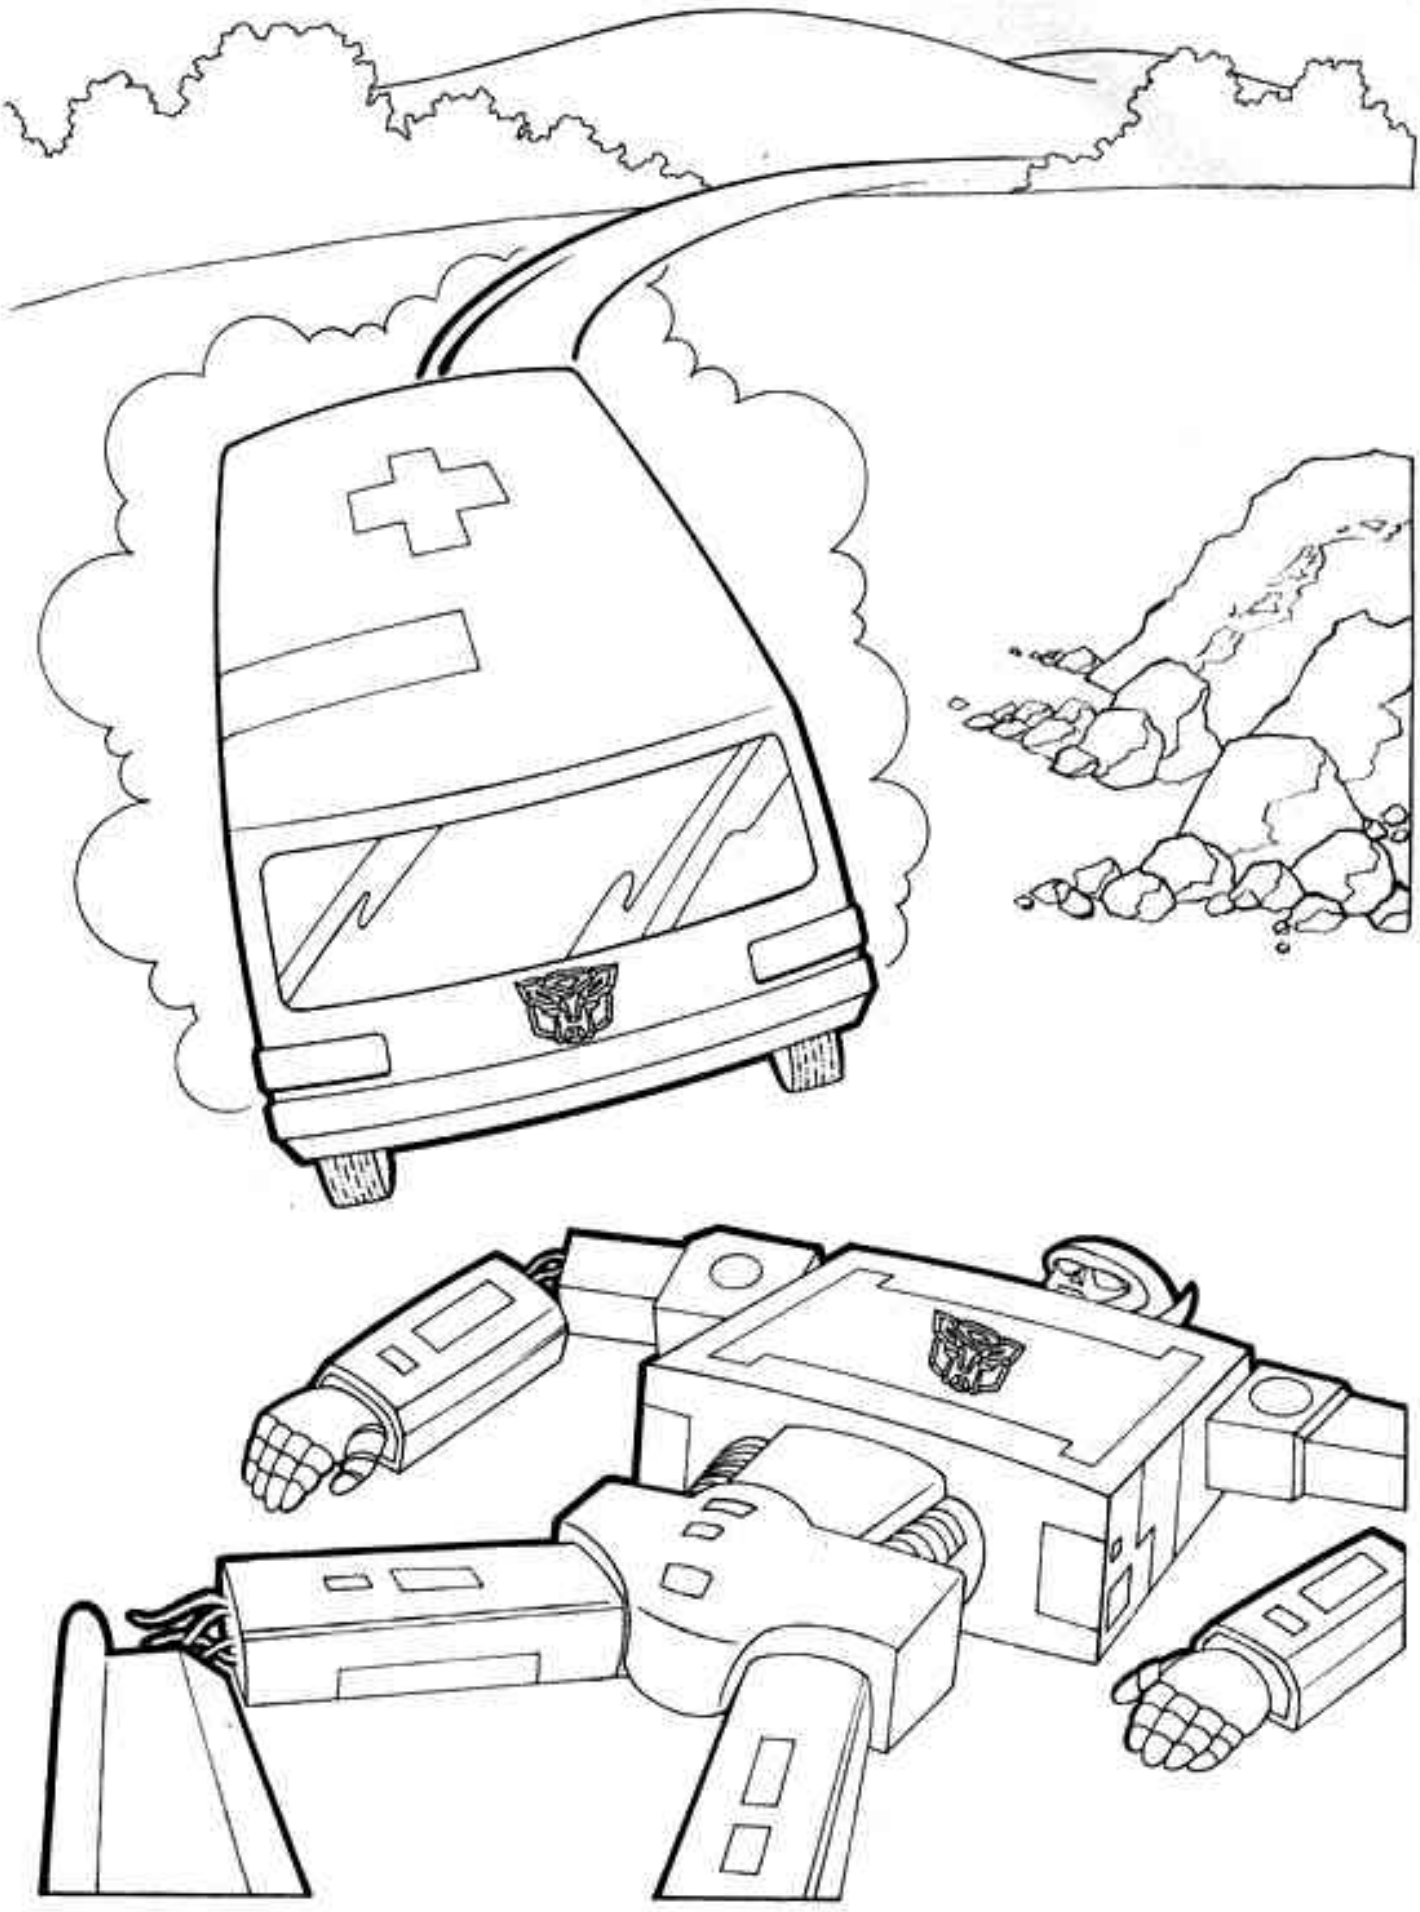


"The factory was a fake!" shouts Megatron. "They were trying to trap us in that hole!"

RATCHET TO THE RESCUE!

Ratchet must race through the maze and miss all the dangers so he can fix Mirage fast! Show him the right way to go!

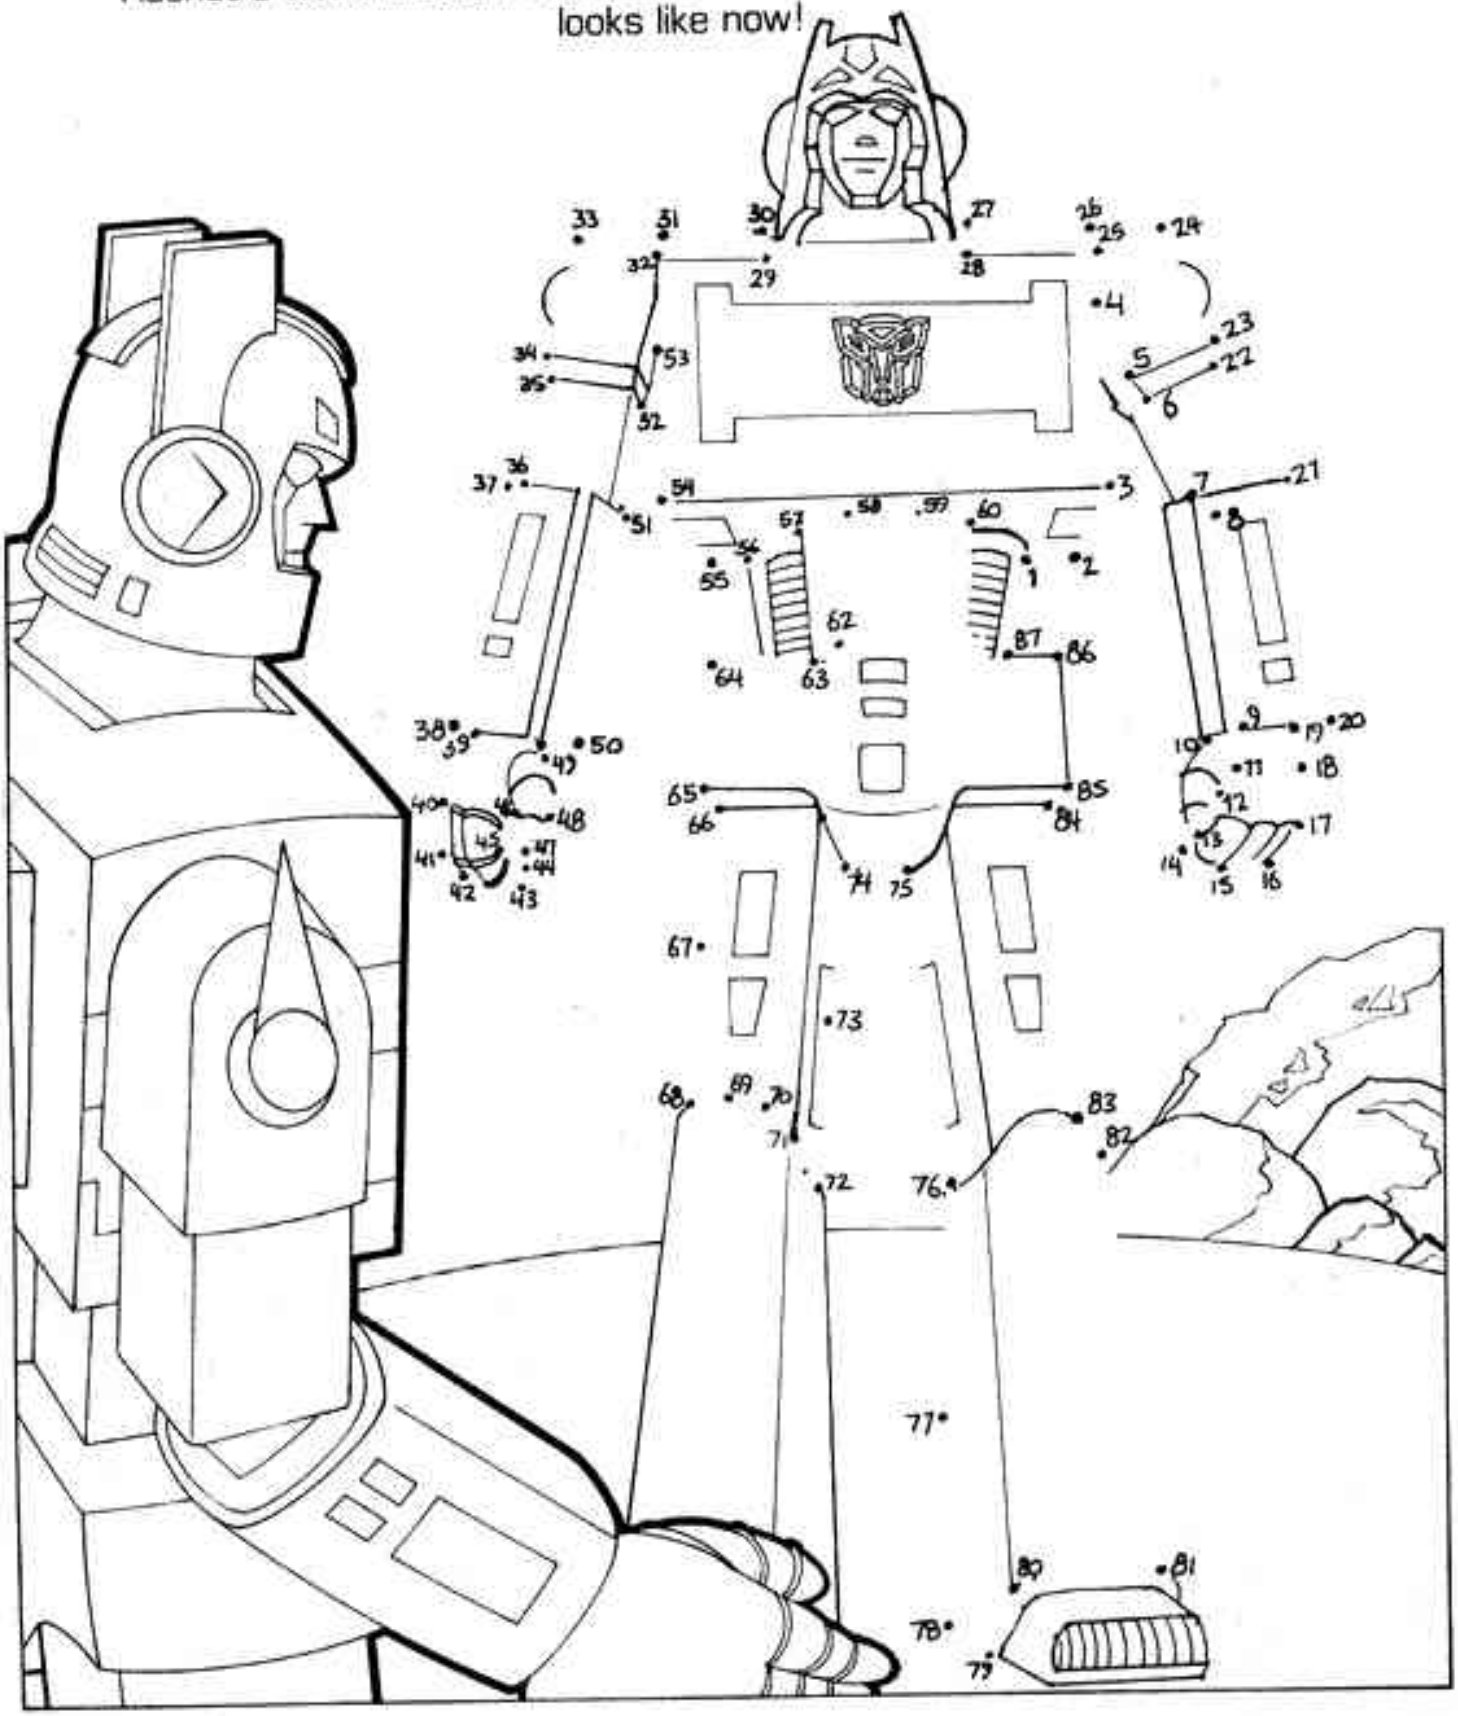




"Have no fear, Rachet's here!" says Rachet. "I'll have you repaired in no time, Mirage!"

DOT-TO-DOT FIRST AID!

Rachet's work is done! Connect all the dots to see what Mirage looks like now!



"This electrified net will short your circuits and stop you cold, Laserbeak!" says Bumblebee.

"Awk! I can't move!" says Laserbeak.

"Surrender, Megatron!" says Optimus Prime.
"Never!" says Megatron.

"No one can escape my grip!" says Huffer.
"Don't crush us!" say Starscream and Thundercracker. "We surrender!"

HUFFER'S WORD MAZE

Huffer has hidden a bunch of words in this maze. Here is the list of words. Can you find them? We've circled one for you.

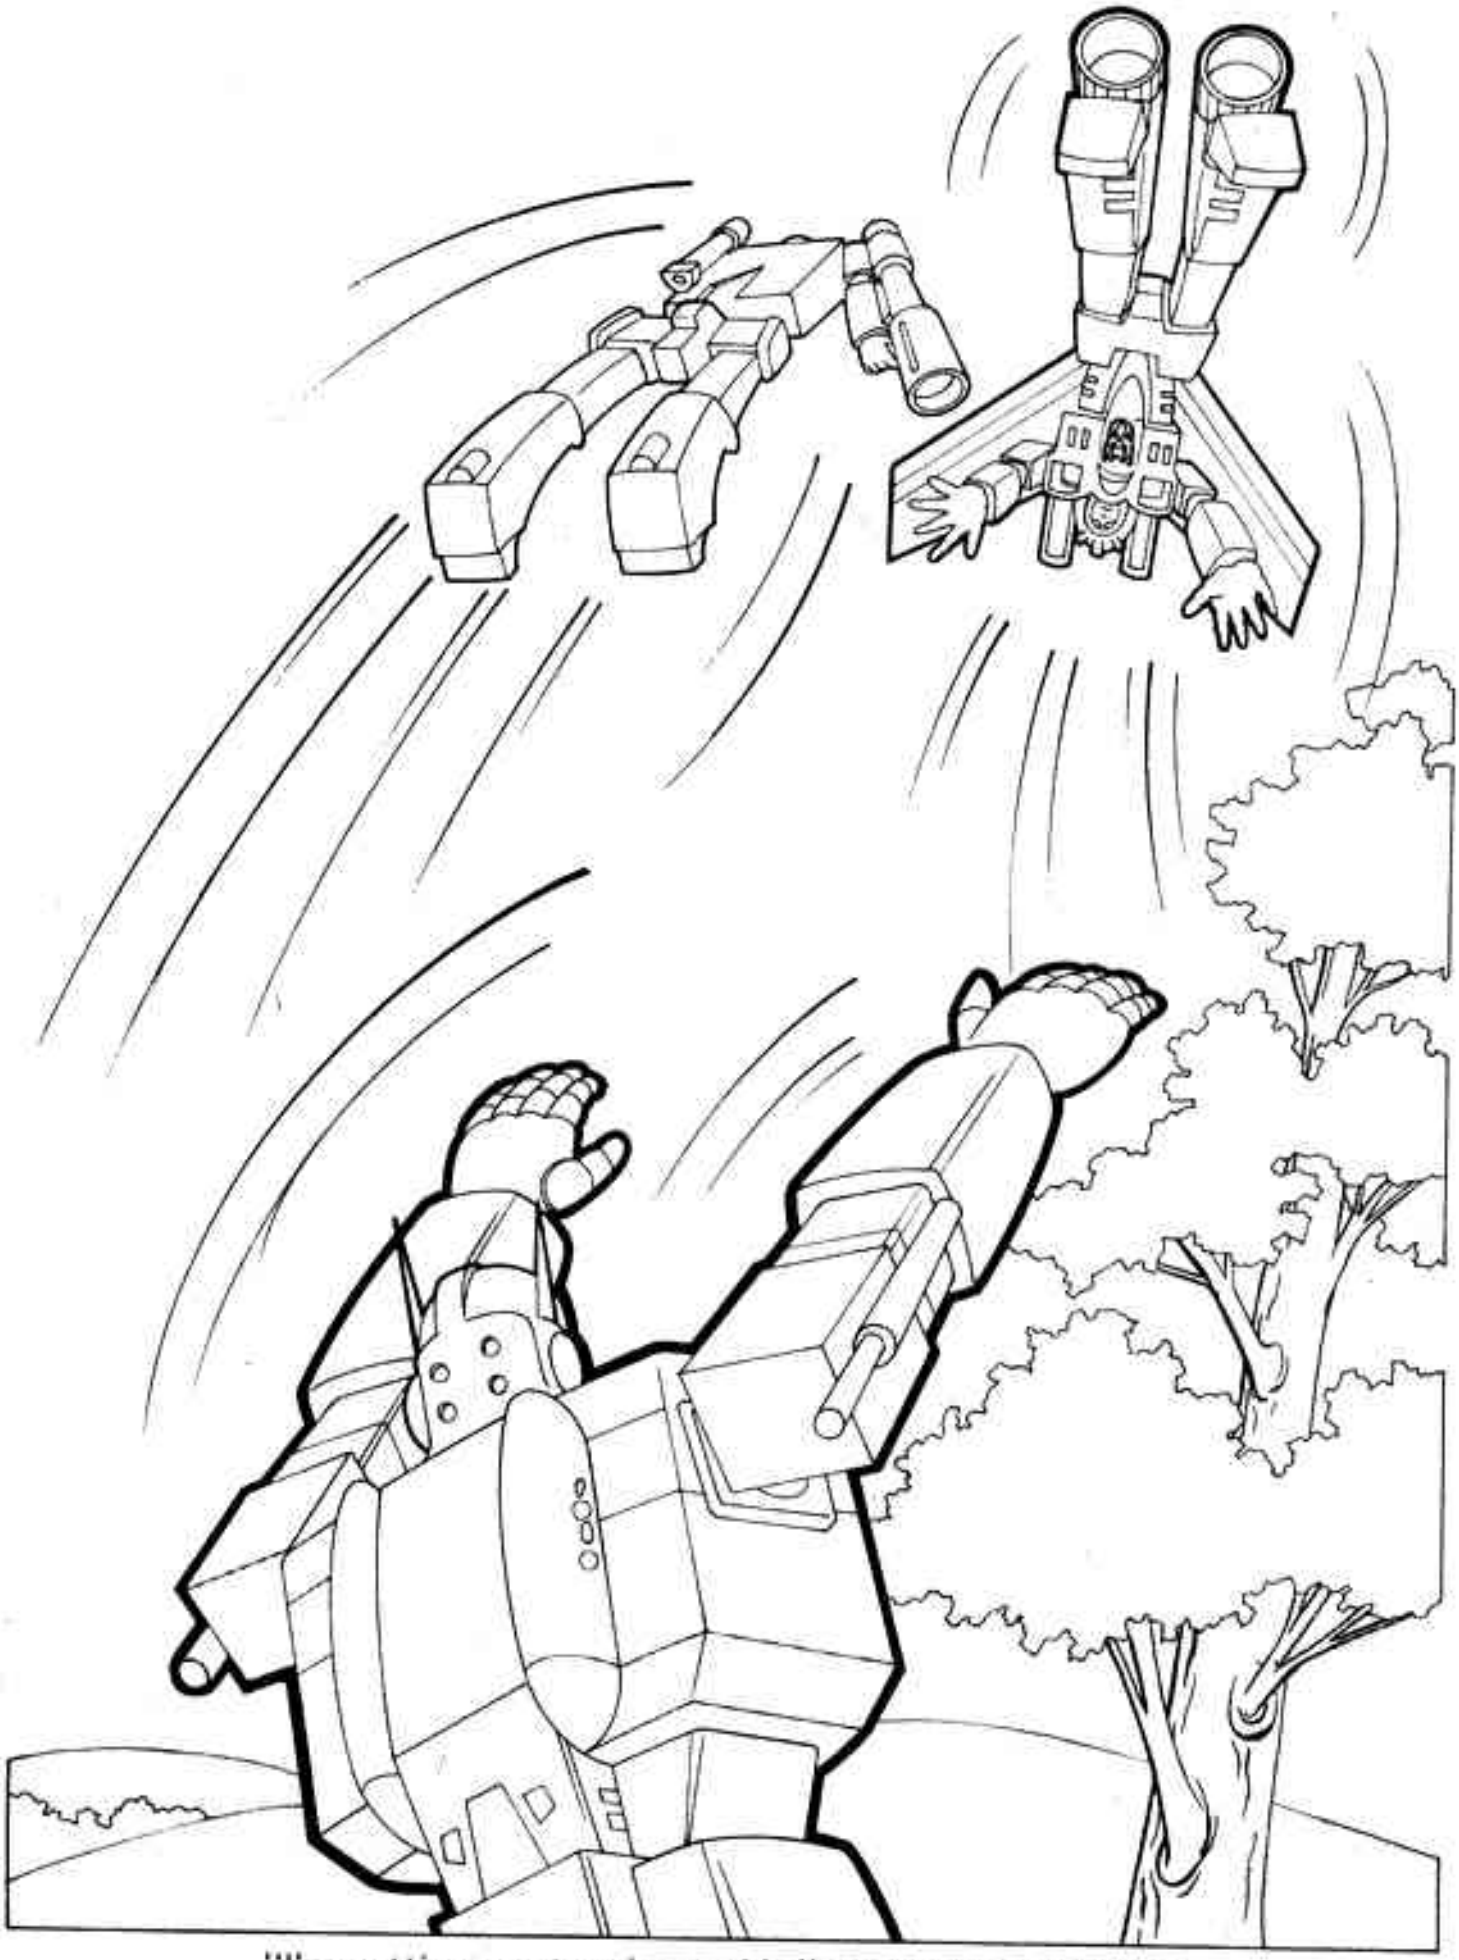
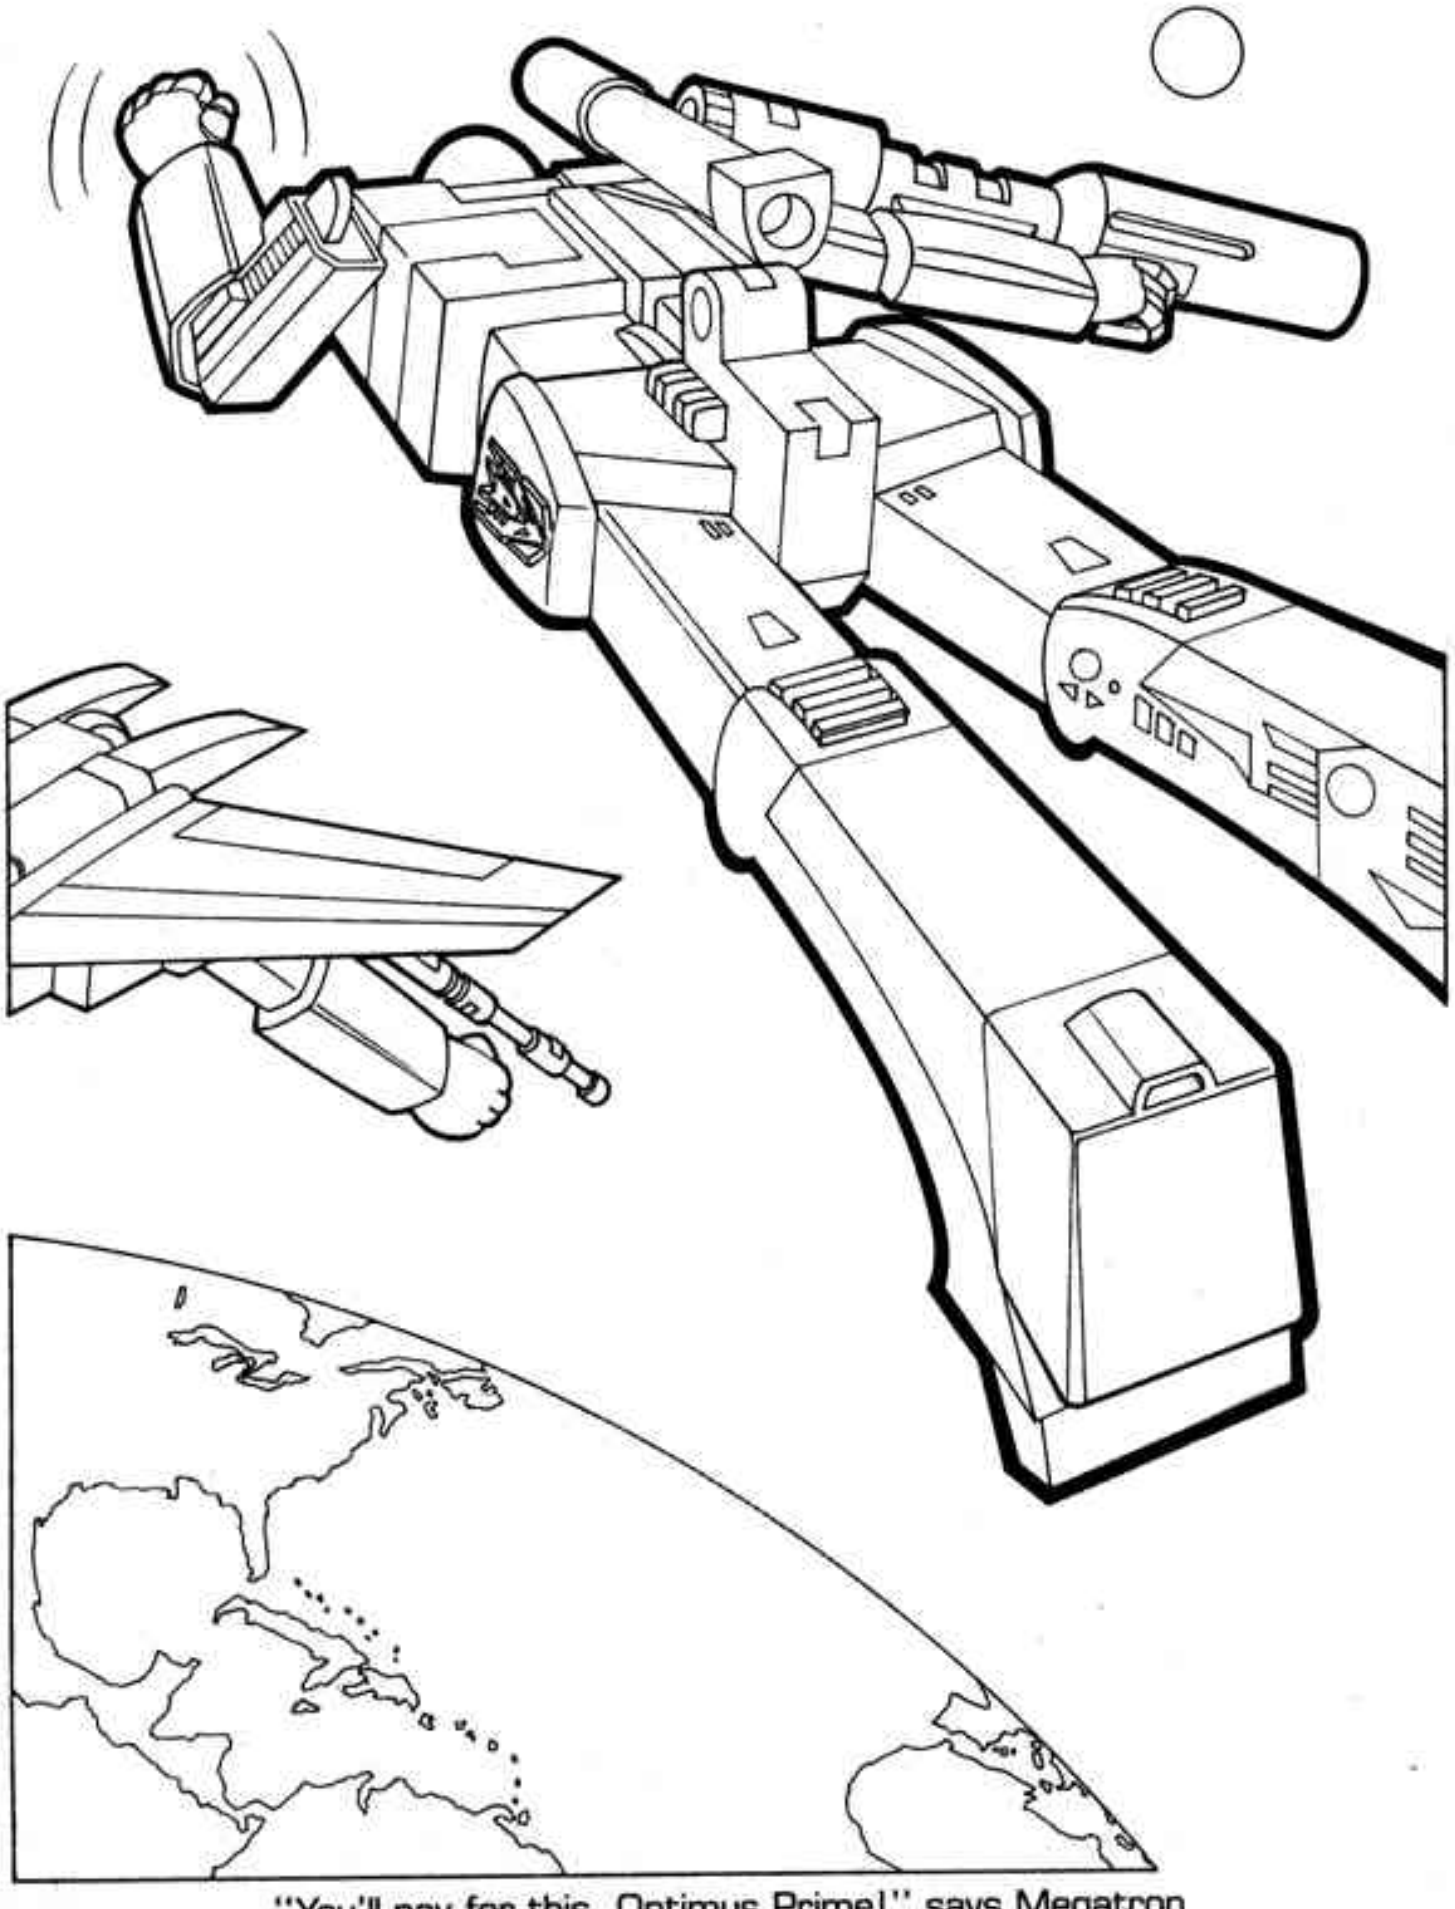
"Ouch!" growls Ravage. "Those electric balls really hurt!"



"I'm putting you two into orbit," says Optimus Prime.
"That will keep you out of trouble!"



"You'll pay for this, Optimus Prime!" says Megatron.

"The next time we meet, the Decepticons will win and the Autobots will lose!" says Megatron. "Then Earth will be ours!"

"We'll be ready, Megatron," says Optimus Prime. "Anytime, anywhere, the Autobots will always protect Earth!"
